Lisa,  
 is a friend who  
 is going to make  
 a terrific cheerleader!  
 Good luck and have  
 lots of great fun in the  
 future.  
 Friends,  
 Bligh  
 Smith

Lisa,  
 They just announced  
 class officers & guess  
 what! I won! You're  
 a really great person  
 to know. You were a real  
 comfort in English last year.  
 After me & Ronnie had gather  
 into a flight or something! Stay  
 sweet & always smiling! I love you,  
 (P.S. Jan, you don't  
 have to sit in  
 out!)  
 Melinda

Lisa,  
 I know I wasn't here last year  
 but I'm sure you all had a lot  
 of fun here at Lakeside. I know  
 I like Lakeside. I sure hope  
 I get to know everyone a little  
 better. Good luck as Rose  
 Ballerina, but you won't need  
 any luck, you're so good.

Lisa,  
 It has really been a fun  
 year with you. I'm really  
 looking forward to doing  
 alot of things together this  
 coming year. What you can't  
 wait until you're sixteen you  
 just be careful and have lots  
 of fun.  
 your friends,  
 Toni

Lisa,

Well here we start another year

in High School + if it's half as

good as last year it'll be Great!

I really didn't know you that

well before last year. But I

hope I get to know you even

better this year. You're a Great

person + one of the sweetest

+ cutest I know. I hope

we can do things together

and become better friends

A dramatic black and white photograph of a sky. A bright sunburst is the central focus, with rays of light radiating outwards. Several streaks, possibly meteors or falling objects, are visible in the upper half of the frame. In the lower right, a small, dark silhouette of a propeller airplane is flying. The sky is filled with various cloud formations, some bright and fluffy, others dark and wispy.

## Reflections —

The world is a looking glass  
and gives back to every person  
The reflection of his own face.  
Frown at it, and it in turn will  
look sourly upon you;  
Laugh at it and with it, and it  
is a jolly, kind companion.

— William Makepeace  
Thackeray

There are two ways of spreading light  
 --To be the candle or the mirror  
 That reflects it.  
 -Edith Wharton

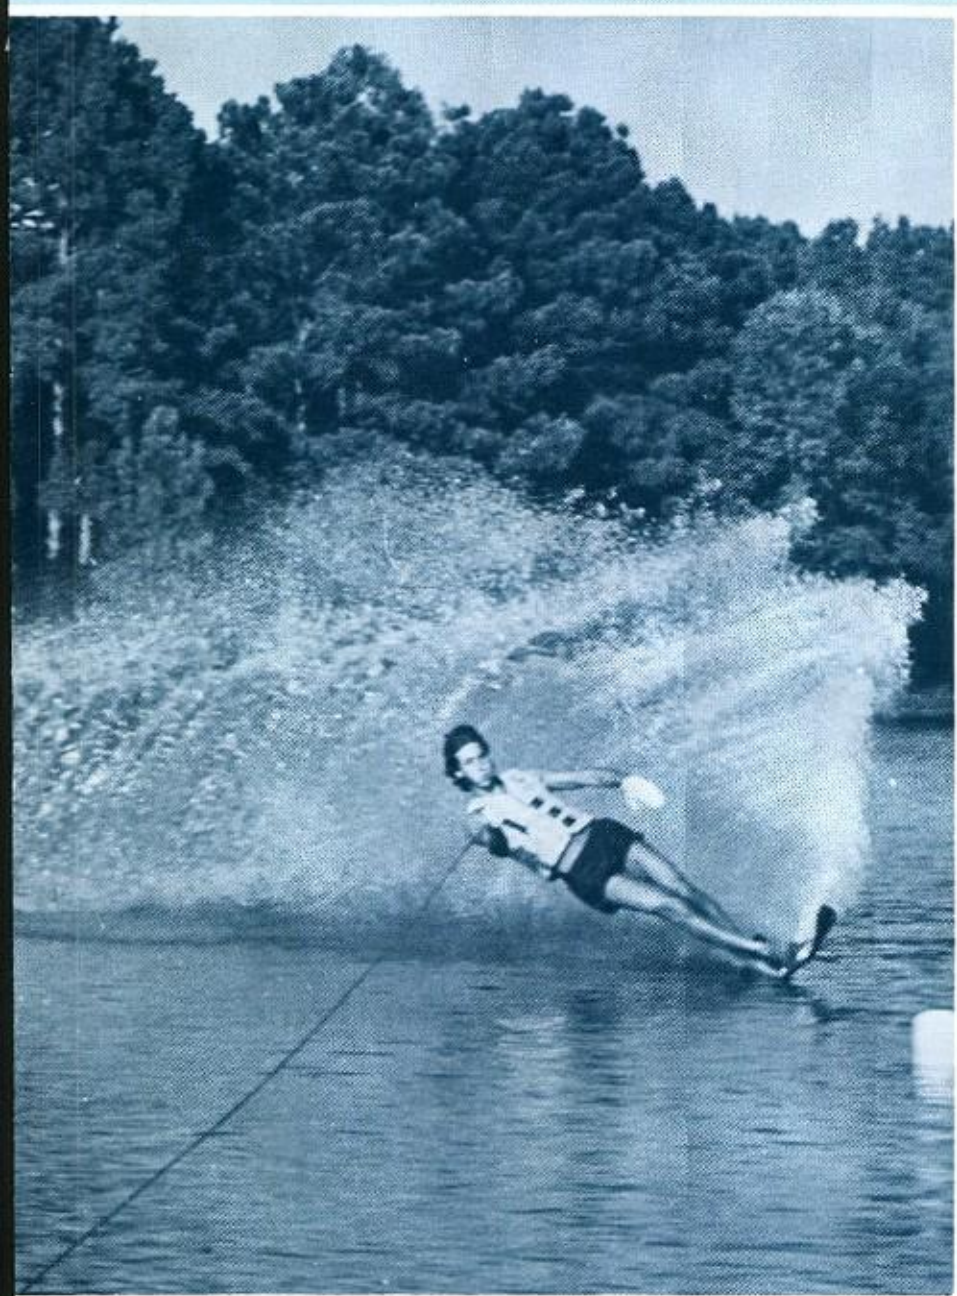

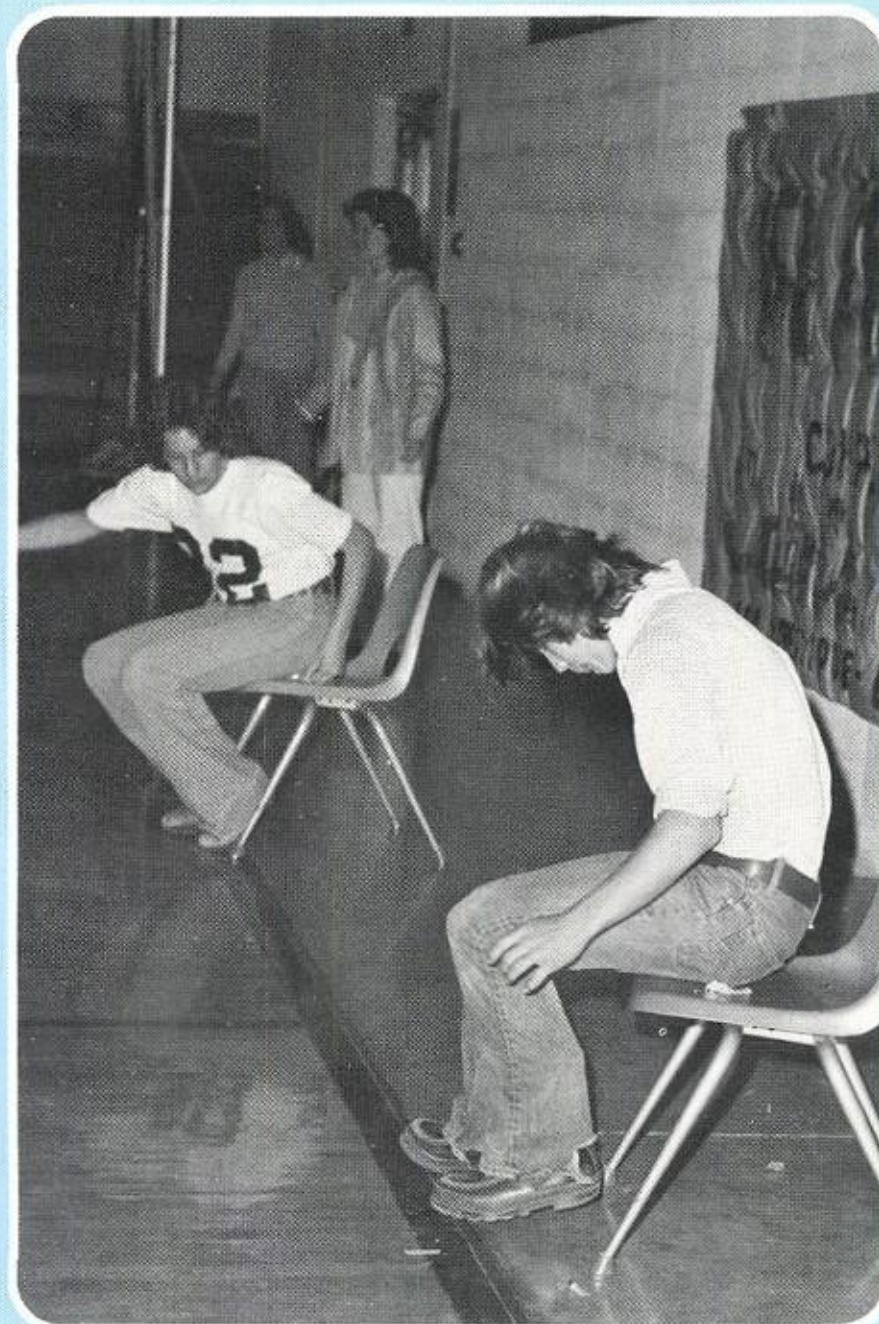

We reflect upon the  
Patterns  
The experiences  
Failures  
Triumphs  
And emotions  
That make us what  
we are  
Moving always toward our  
Goal of self-discovery

My surface may  
seem smooth ---

Beneath I swell  
In confusion,  
In fear,  
In aloneness -  
But I hide this.

I panic at the thought of my weakness and fear being exposed. That's why I frantically create a mood to hide behind, a nonchalant sophisticated facade to shield me from the glance that knows. But such a glance is my salvation and I know it.

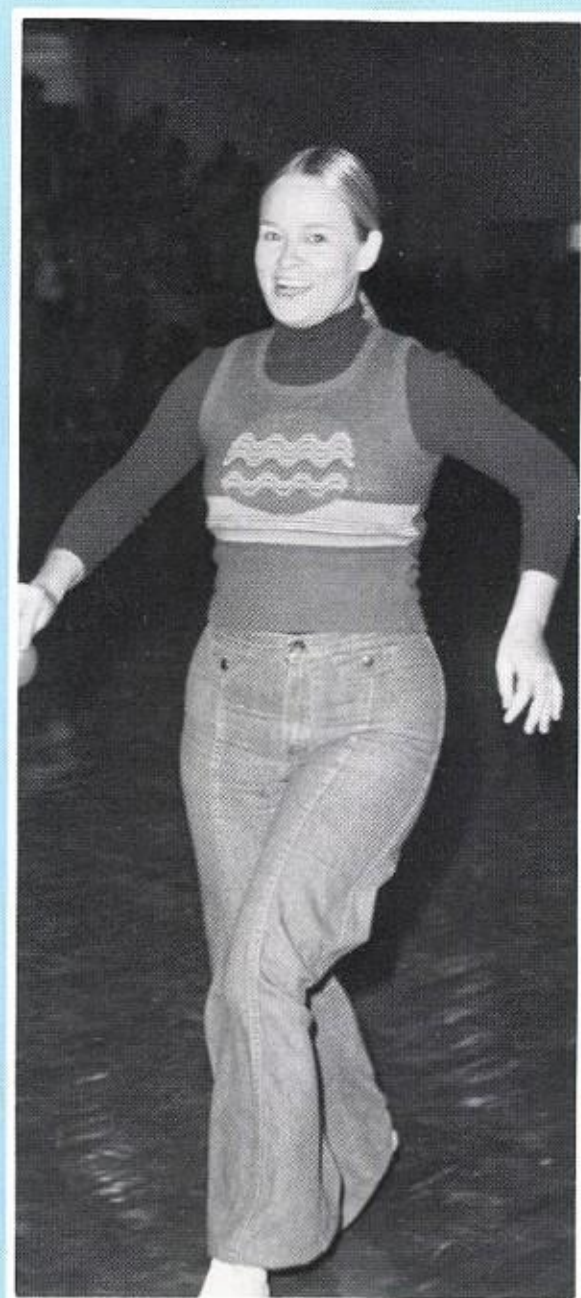

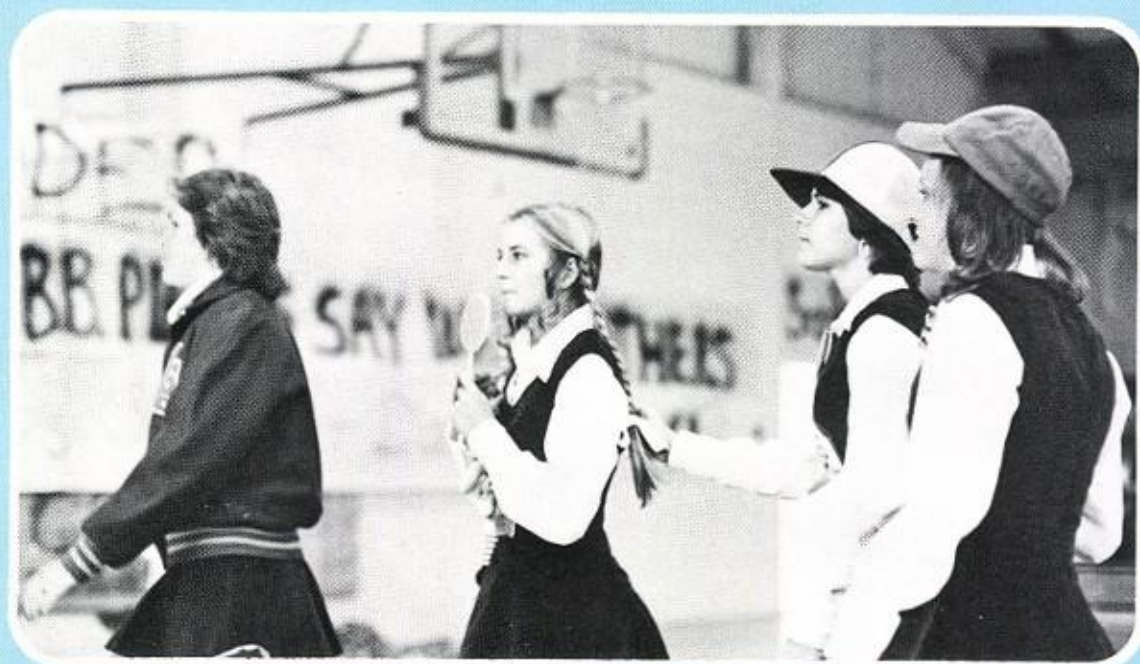

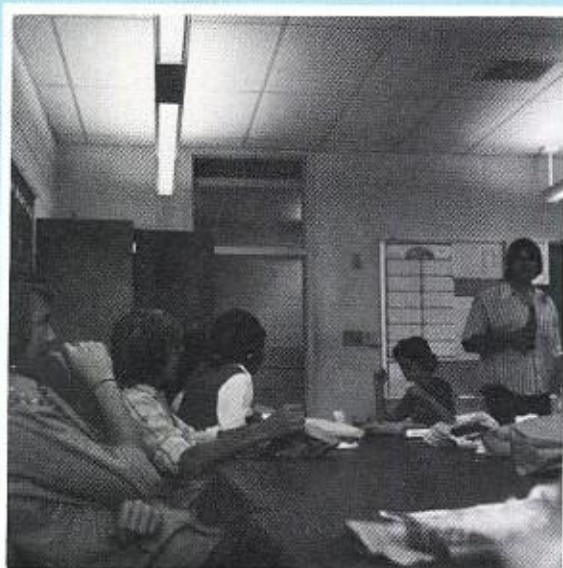

We go our ways taking  
Time for - reflection

Upon Who we were  
Where we have been  
What we have done  
How we have changed  
How we are facing life  
How life faces us.

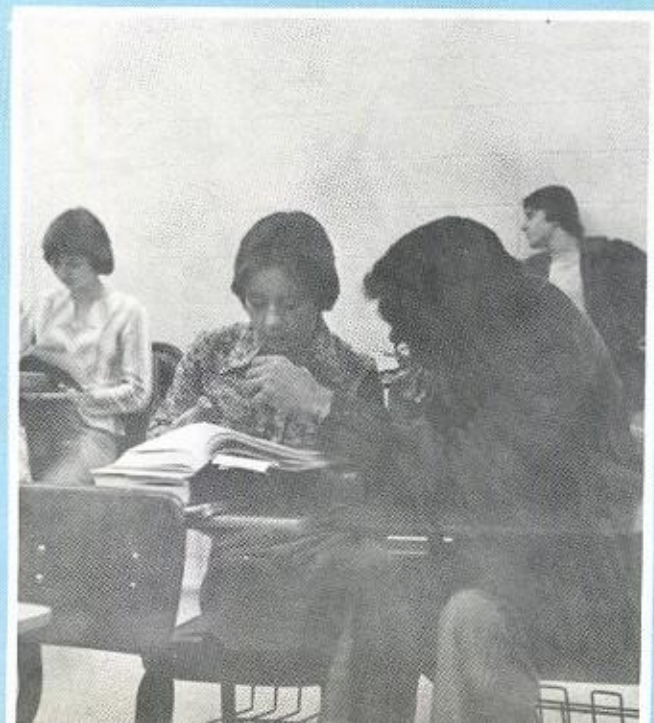

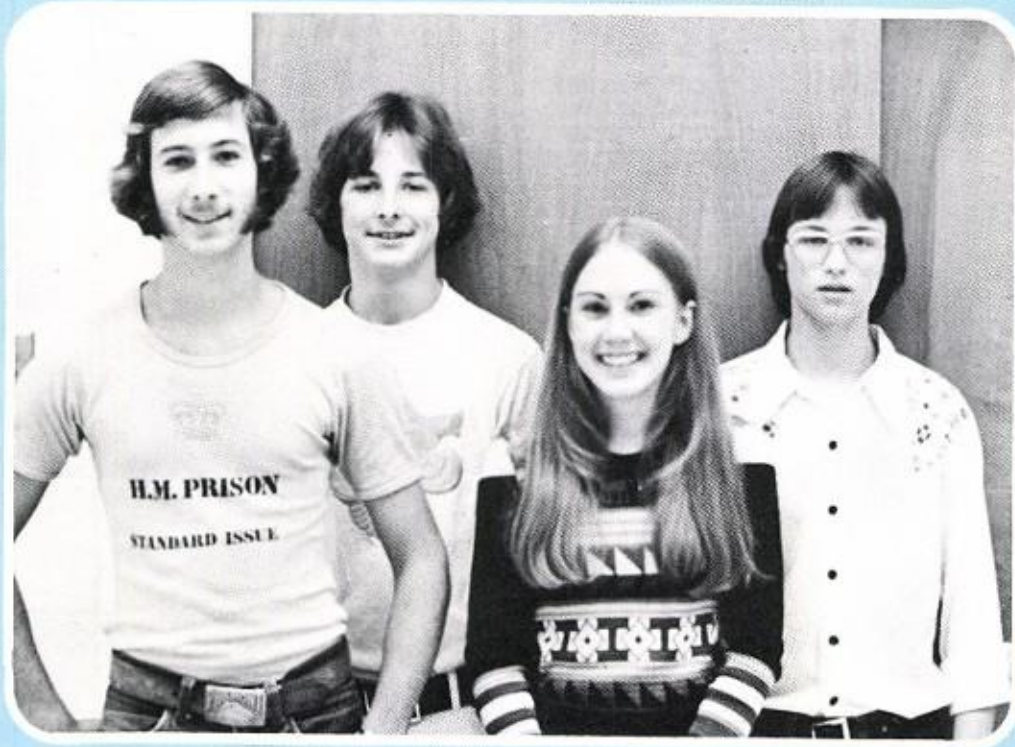

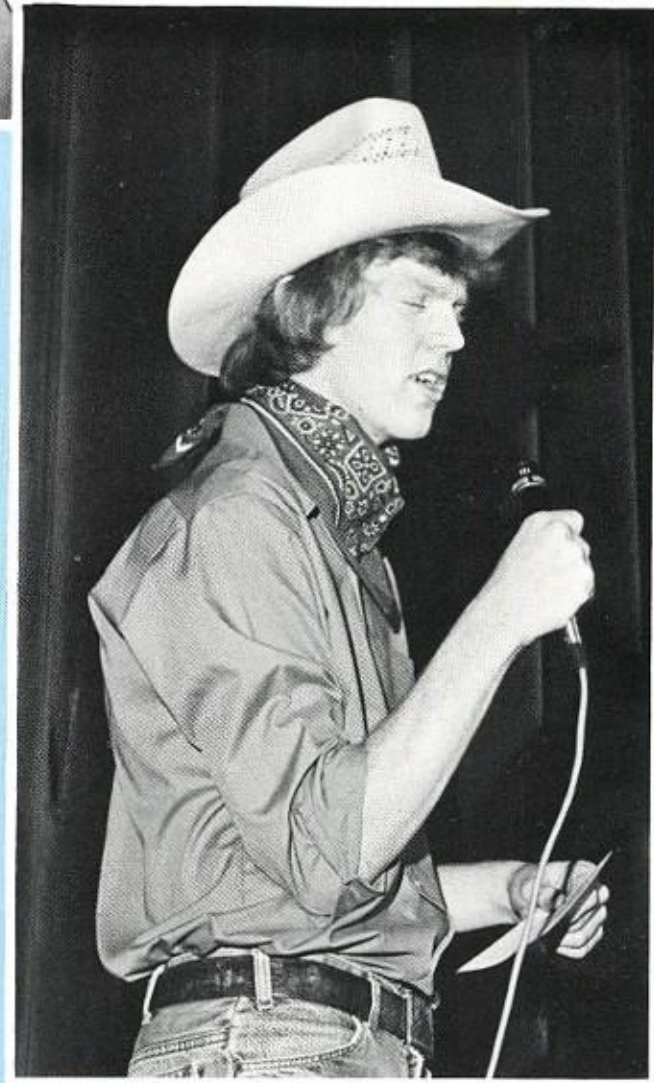

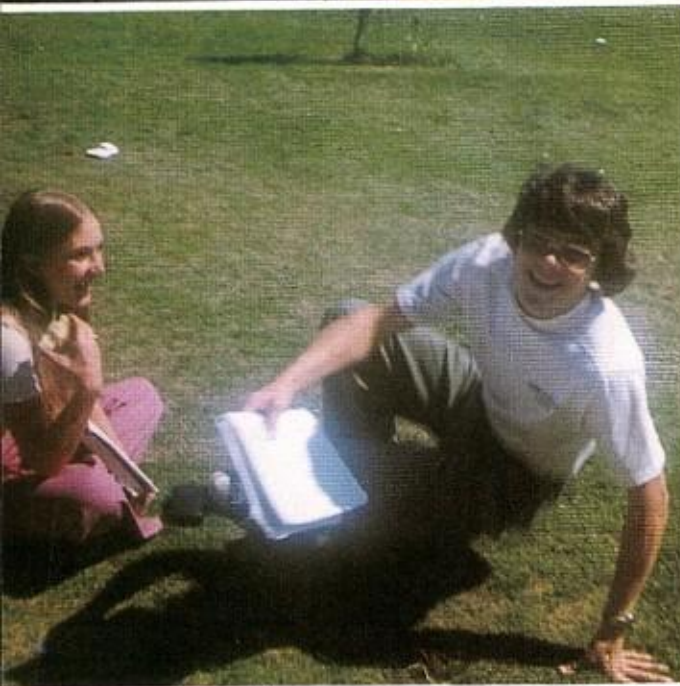

Take time to listen, learn,  
--and think

Reflect on the past

Ponder on the present  
Prepare for the future

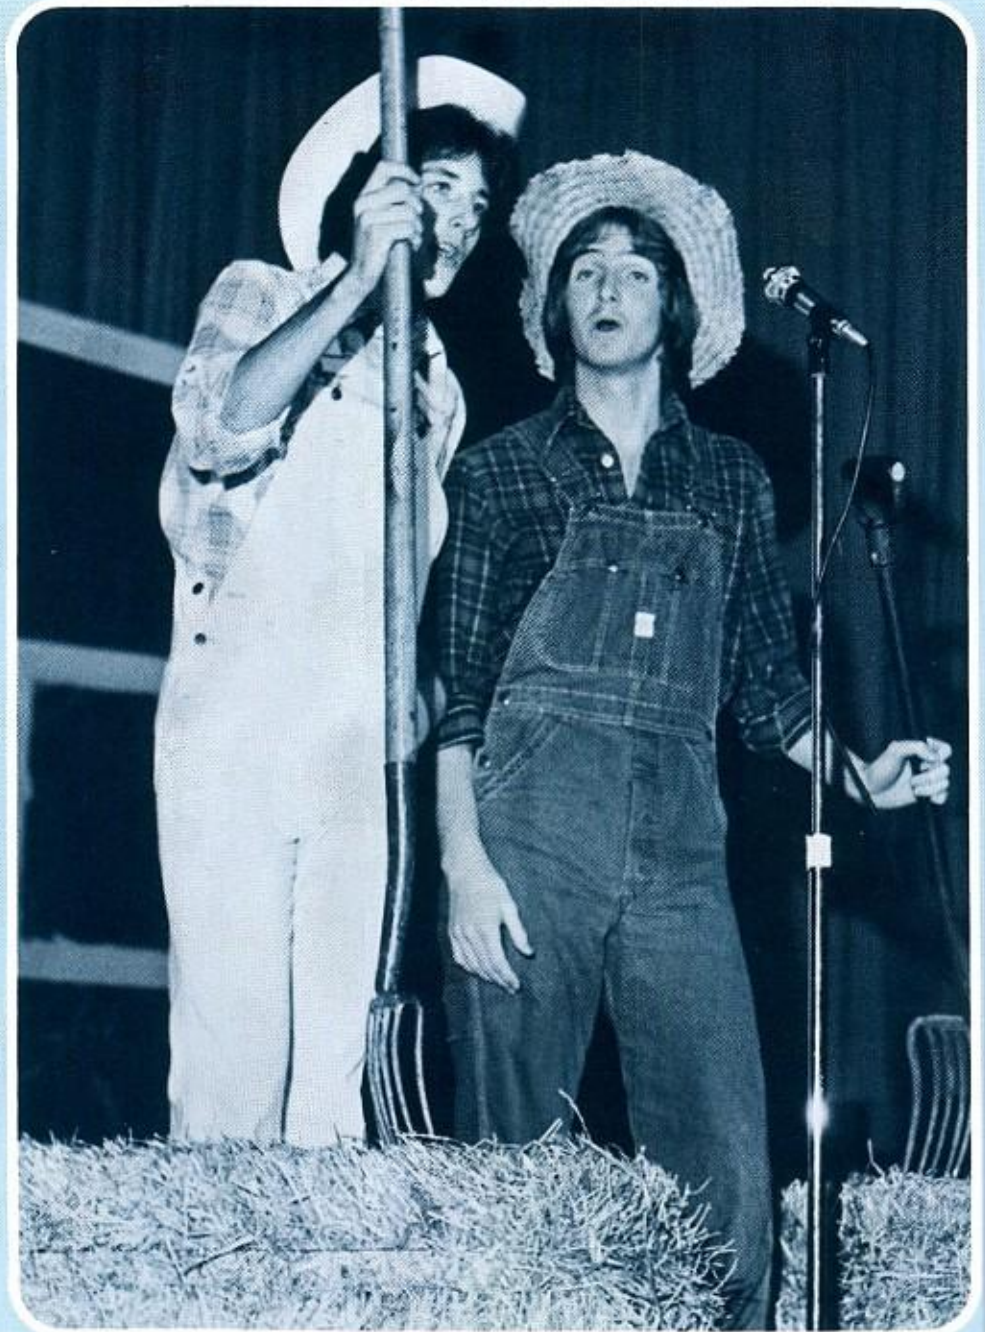

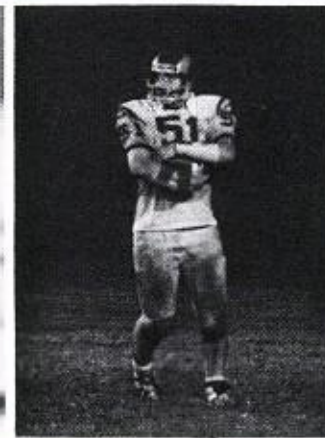

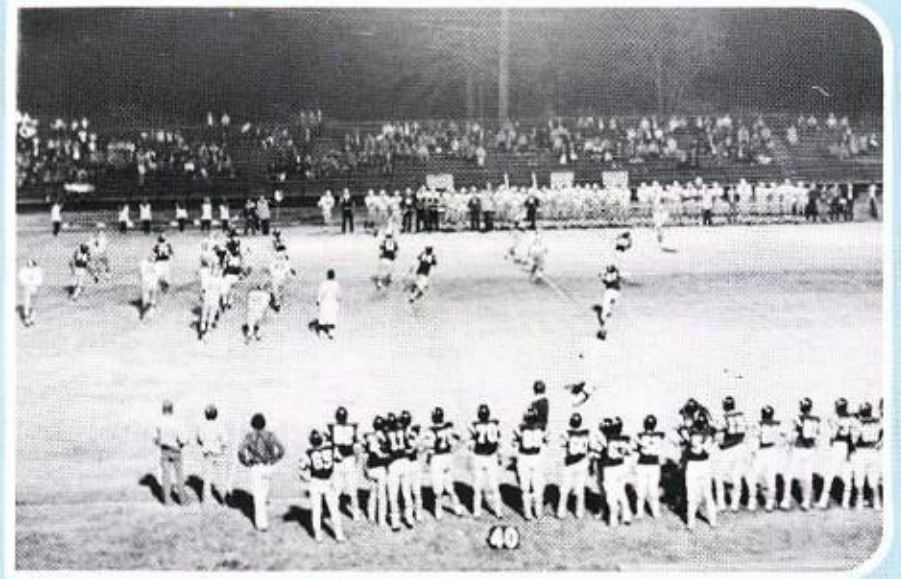

There isn't any map  
On the road to success.  
You have to find your own way.

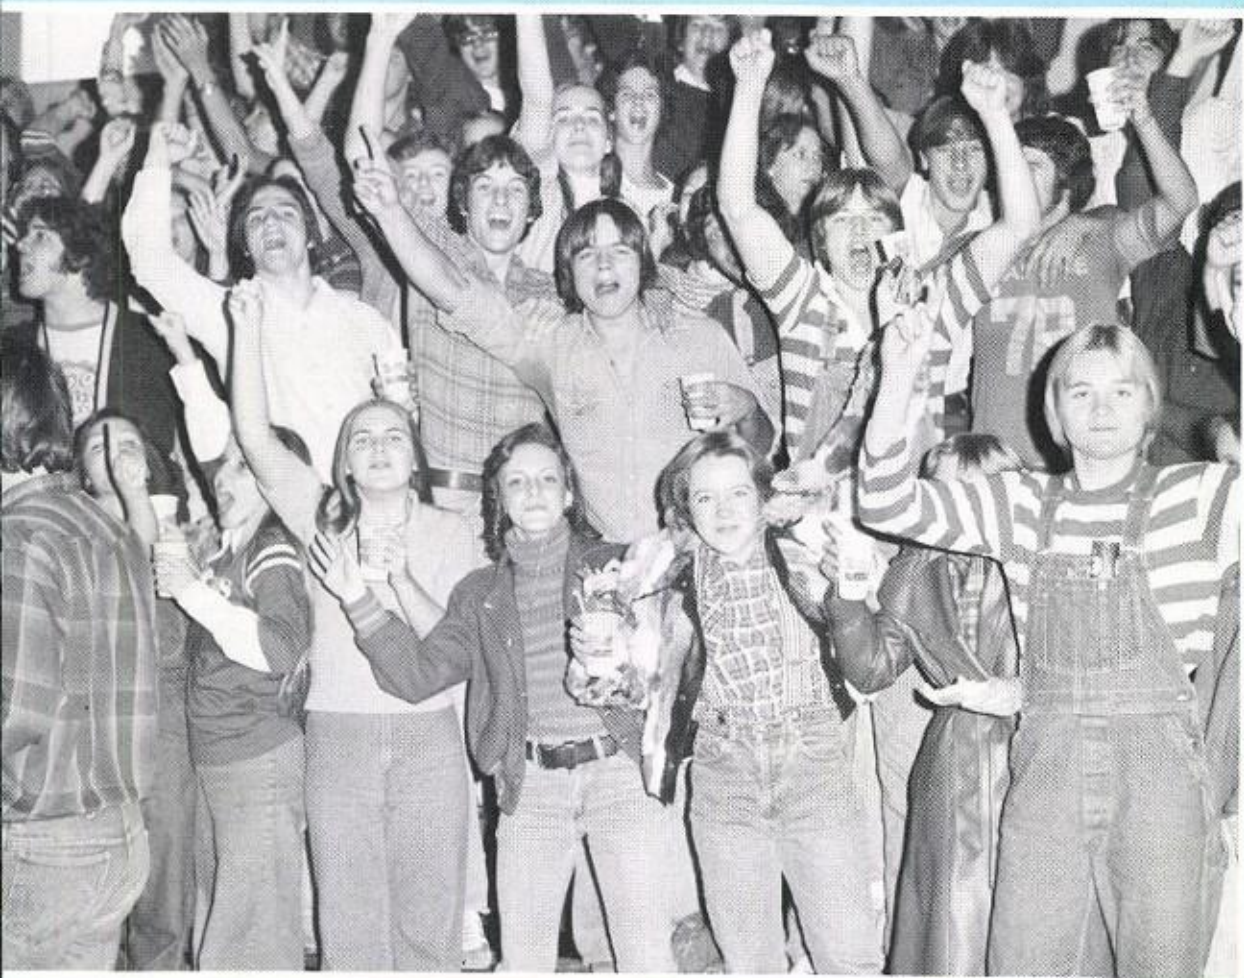

Reflect: to give  
back an image.

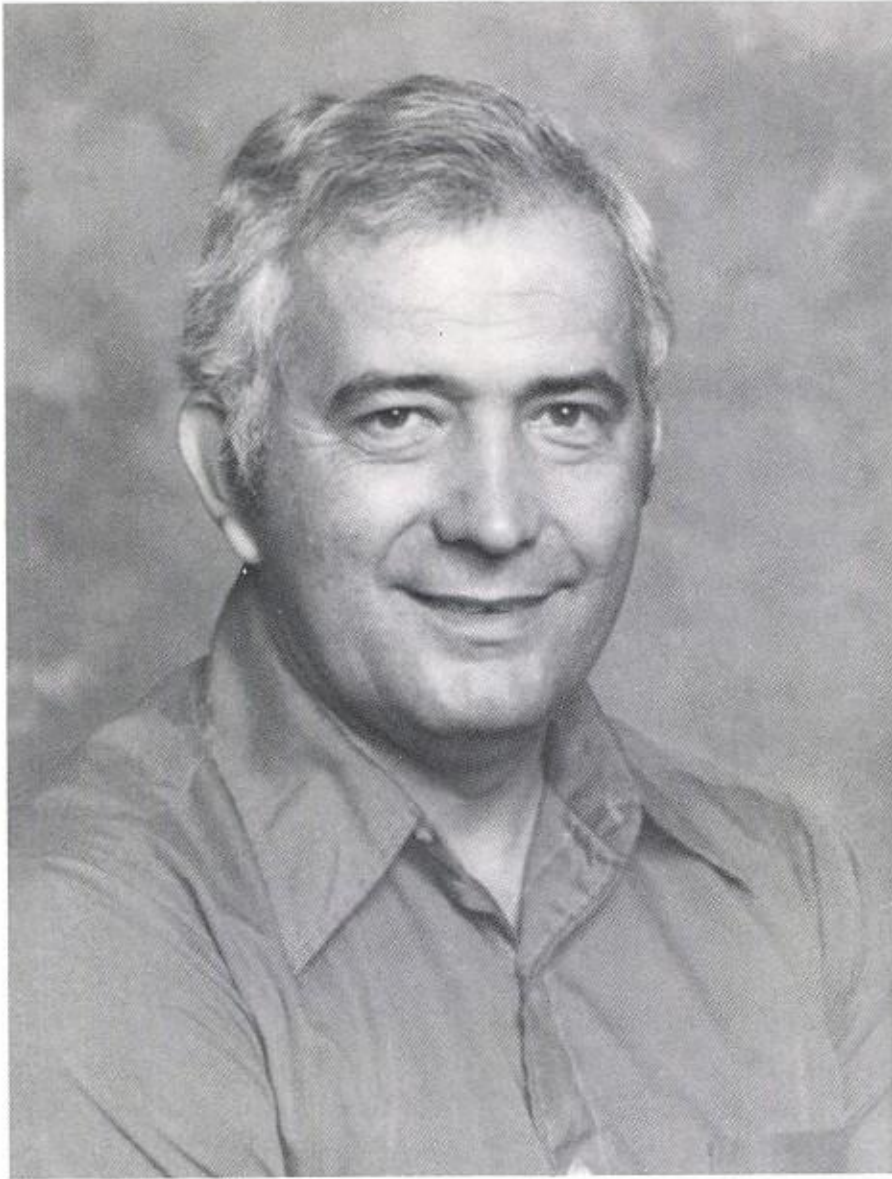

Reflect on . . .  
The value of time  
The success of perseverance  
The pleasure of working  
The dignity of simplicity  
The worth of character  
The power of kindness  
The influence of example  
The obligation of duty  
The wisdom of economy  
The virtue of patience  
The improvement of talent  
The joy of originating.

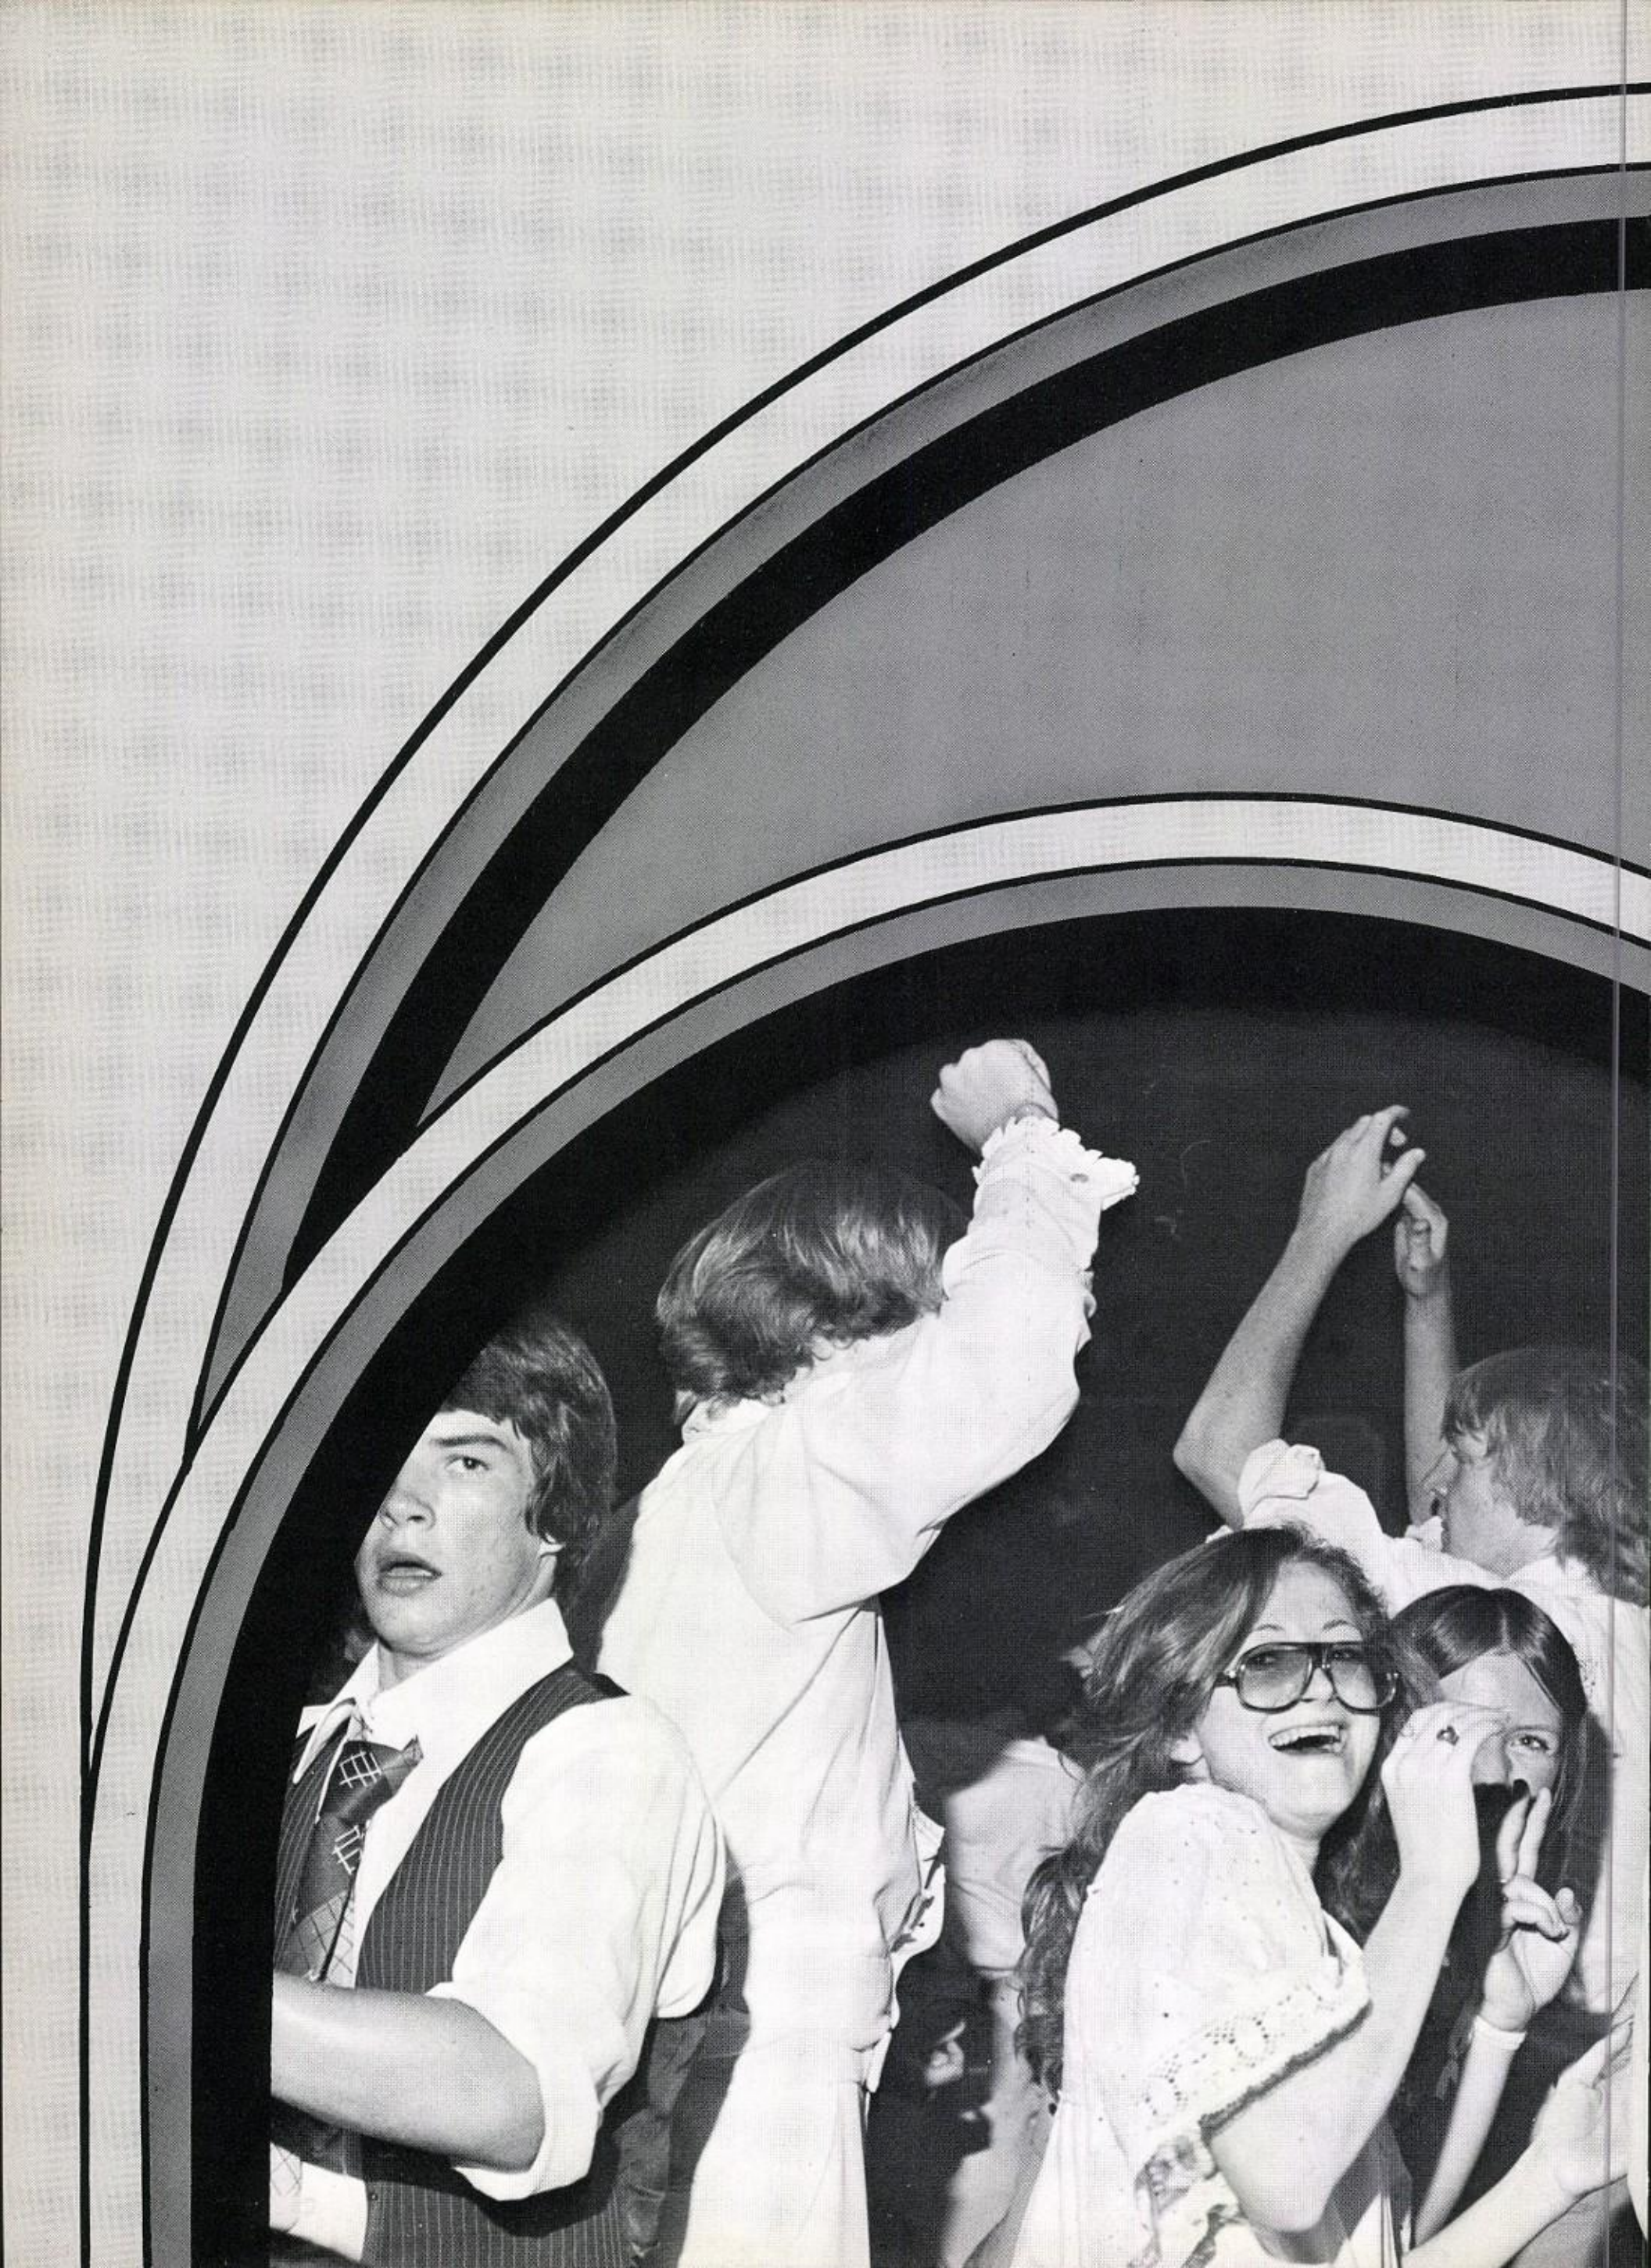

# Memoriam To Ben Bogard

Lakeside lost a dear friend this year in Mr. Ben Bogard, Middle School Counselor. Many of us were blessed to have had him as a counselor and friend. Mr. Bogard was an energetic, happy person who loved Lakeside, and his glow of warmth reached all who knew him. He came to Lakeside in 1960 as a social studies teacher. In his 16 years at Lakeside he served as sponsor of the freshman class, sophomore class, junior class, and senior class. He was sponsor of the store workers and the student council. His voice was heard on the radio and over the loud speaker at almost every football game held. He attended almost all of the sports events and kept score at basketball games. He served as maintenance director, as well as counselor, and could be seen many summers and after hours painting, building fences, cleaning, and generally "keeping things in good order." In 1965 the annual dedication to Mr. Bogard read as follows: "In return for the priceless gifts of knowledge and inspiration he has bestowed on us--it is our way of expressing our gratitude and sincere appreciation for all that he has done as a teacher in Lakeside High School." Mr. Bogard will be missed at Lakeside, but we should not grieve as we know that he, in his optimistic way, would want us to "carry on." The 1977 RAMSTAFF dedicates this book as a memoriam to Ben Bogard.

The past season saw the end of an era in Lakeside Football. It also saw one of the worst win-loss records in school history. School spirit was at an all-time low. Famous yells like "All for Lakeside, stand up and holler" resulted in about half the group standing. Another traditional Lakeside cheer, "That's the Lakeside Battle Cry," produced loud screams from each individual class but not very loud for the Lakeside Battle Cry. This indicates a lack of unity, a unity that some of us can look back on with great pride. Let's examine the Ram Football "Roots" and see if we can't "dig" what a good school we have.

CLASS B-From 1949 through 1960 the Rams won 84, lost 32, tied 3 for a 72%. They won 4 district titles during this time including 3 straight undefeated seasons plus a 38-game win-

Football

any one man, stronger than any one group -- a rich heritage that not many schools have.

Next year the Rams look forward with great hope as they enter into Region V-AAA. For a football team to be a good group, members of the Senior Class have to be the leaders because of their maturity and experience. They cannot achieve success without a positive attitude from the junior and sophomore members of the team. The football team members cannot be successful unless they are motivated by parents, faculty, and their everyday classmates and that goes for every other organization in school also. So I urge you

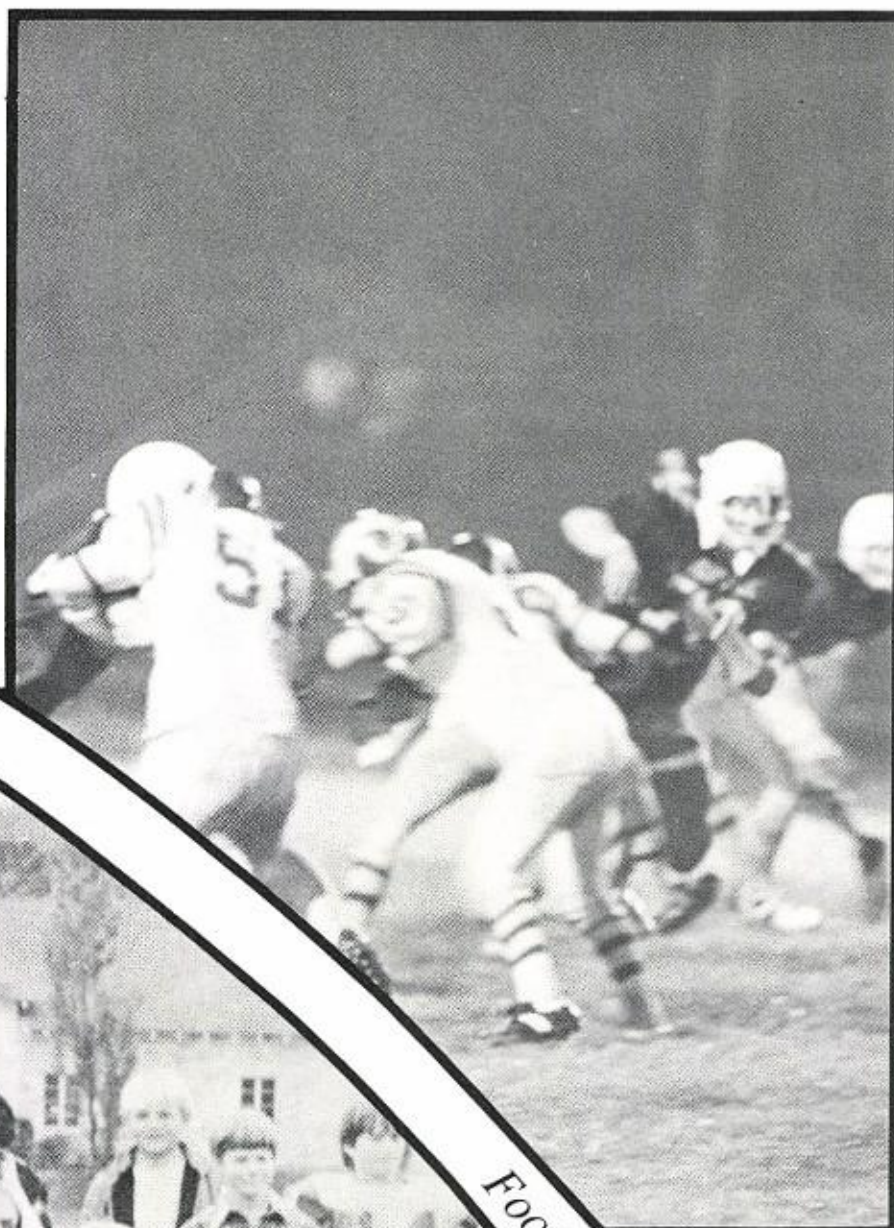

ning streak. During this period the 1956 team only allowed 7 points in a 10-game schedule, the best defensive record in school history.

CLASS A-From 1961 through 1969 the Blue and Gold won 61, lost 26, tied 9 for a 70%. These years produced 5 district titles, one undefeated season. The 1963 team scored 452 points in an 11-game schedule for an average of 41 points per game, the best offensive record in school history.

CLASS AA-From 1970 through 1976 Lakeside won 56, lost 21, tied 1 for a 77%. During that time they won 4 region titles including being state Semi-Finalist in 1974 and State Runner-up in 1975.

In all the 28 years combined Lakeside has won 201, lost 79, tied 13 for a 70%. So you see the tradition is there, bigger than

Football

all participants, spectators and innocent bystanders to get on the same side. You only go through high school once. So instead of "jumping to conclusions and running people down, leap on the wagon and become a 'Ram.' Then when we hear 2 bits, 4 bits, 6 bits, a dollar, all for Lakeside stand up and holler and we hear loud and clear "That's the Lakeside Battle cry," we will know we are together and that we are doing it our way in Region V-AAA.

Joni Davis was the sole member of the high school gymnastics team, but what was missing in numbers was made up for in work. Joni worked an average of 3 to 4 hours a day and assisted Mrs. Thorne, her coach, with the middle school team. Joni placed 16th in her division out of approximately 80 girls.

# Football Homecoming '76

October 21-25 was Lakeside's football homecoming week. Monday was Hat Day and most people forgot their hats. The Juniors sold spirit chain links all week. Students from each class bought links to represent the spirit in their class. They sold for 10¢ and sales were very good. Cowboy Day, Farm-out Day (with Mr. Hooks all dressed in overalls) and Tee Shirt Day followed. Cheerleaders sponsored a sign contest and Scott Smith and Kenny Breckenridge were the winners. Thursday night there was a bonfire at Leigh Smith's farm.

On Friday, October 25, Lakeside students, faculty, parents, and alumni attended the homecoming assembly in Ram Field House. This was Blue-Gold Day. The theme for the assembly was "time" and Dale Greene and Tom Williams served as masters of cere-

monies. The first stage of the assembly was presentation of the royalty. White Hall Queen Shannon George was crowned by Co-Captain John Utley. The Band played "I Write the Songs" for the processional. The cheerleaders performed a routine to "Free Ride" followed by a Goldduster routine to "TSOP." The Madrigals followed with a song and dance routine to the music of "Pippin." The ninth grade cheerleaders then honored the royalty with a special cheer, and the Majorettes and Flag Team performed a routine to the "Hustle" and "Basin Street Blues." The assembly was followed by a parade from the Sawmill Depot parking lot to the Fountain. That night a reception was held for the Royalty followed by a dance sponsored by the Student Council. The band was "Albatross." Although Lakeside lost their game to Arkadelphia, everyone enjoyed the festivities.

# Basketball Homecoming

Basketball homecoming week began with "Sock Day" on Monday. The Juniors sold spirit links and again the Freshmen won. Sign Day, Boot Day, and Sweat Shirt Day were held after Monday and on Friday, February 4, which was Blue-Gold Day, faculty, students, parents, and alumni crowded into the field house for the afternoon ceremonies.

The theme for the assembly was "Around the World" and Dale Greene served as Master of Ceremonies. To begin, the royalty and their escorts were presented while the Band played "I Write the Songs." The cheerleaders raised Ram spirit with a few cheers and with a dance routine to "TSOP." They also performed an amusing skit which brought laughter from everyone in the field house. The

Golddusters followed with a routine to "Bionic Band." The Madrigals dedicated a medley to the senior basketball players and to all the Seniors of '77. The medley consisted of "Feelin' Groovy," "People" and "I'd like to teach the world to sing." The freshmen cheerleaders also contributed to the ceremonies by performing a cheer. The Juniors announced the winner of the spirit chain contest and the assembly was ended with the Alma Mater.

That night a reception was held for the Royalty and the student council featured "Kidz" as the band for the dance. Lakeside won their homecoming game with Sheridan.

# Varsity Cheerleaders

The cheerleaders started their busy year in June when they attended summer clinic in Jonesboro. They competed against over 700 cheerleaders for five nights and on the final day, they were named one of six top squads asked to take part in Superstar competition. In all, they won six blue ribbons for superior performance, the Spirit Stick, and the overall second-place trophy. During the rest of the summer, they earned money through car washes, rummage sales, and window washes. Cheerleading activities during the year include: Performing pom pon routines, perfecting gymnastics, hanging signs on Thursdays, giving football and basketball parties, flipping off the mini-tramp, cheering, selling spirit ribbons, performing skits at pep assemblies and supporting the LAKE-SIDE RAMS!

## Golddusters

This group has always had a busy year. With the new sponsor, Mrs. Wilson, they had many money-raising activities and performed at a lot of events including football halftimes, summer parades, homecomings, Christmas parade, basketball games, and competitions. Some projects were: car washes, window washes, mug sales, key chain sales. In the Arkansas Drill Team and Pageant Competition at UALR, the Golddusters won the sweepstakes trophy competing with six other schools. Laura Randall was the second runnerup in individual competition for Miss Arkansas Drill Team.

The American Field Service, one of our most newly developed organizations at Lakeside, has proved to be very successful. In the past few years the AFS Club has grown to be one of the top organizations with a membership of 170 students. The main purpose of our program has been to bring students from other countries to our school and to send our students abroad. The student body and administration have been very enthusiastic about our program and have aided the club during the fund-raising activities. Our major activity, the annual "Harvest Carnival," was very successful this year. The funds earned from the carnival will be used to bring students to our school and to send our students abroad. Since the AFS program has been at Lakeside, we have received four students: Phil Donnelly from Australia, Babette Crohas from France, Luis Lopez from Guatemala and Angel Cabeza from Chile. We have sent three students abroad: Paula Thompson to Greece, David Wenner to England, and Terri Walker to Columbia. We did not receive a student this year, but the Club is looking forward to having a student next year.

# Debate

This past year the Lakeside Speech and Drama Department was very active. They attended a Forensic Workshop at UCA in Conway in October. Their first major project was sponsoring the Variety Show for the annual AFS Harvest Carnival. The theme this year was "Harvest Hoedown". In November, they sponsored the second annual Lakeside Holiday Speech Tournament. Ten teams participated. In January, a speech team representing the department attended the UCA Speech Tournament and returned with various honors. Two teams from LHS attended the Speech Tournament at Henderson and returned with the second place sweepstakes trophy and five other trophies. In March the club was very busy with the annual play, the State Speech Festival, and the H.S.H.S. Speech Tournament. In March, they presented an assembly to present various forms of speech and drama studied in speech courses.

## Activities

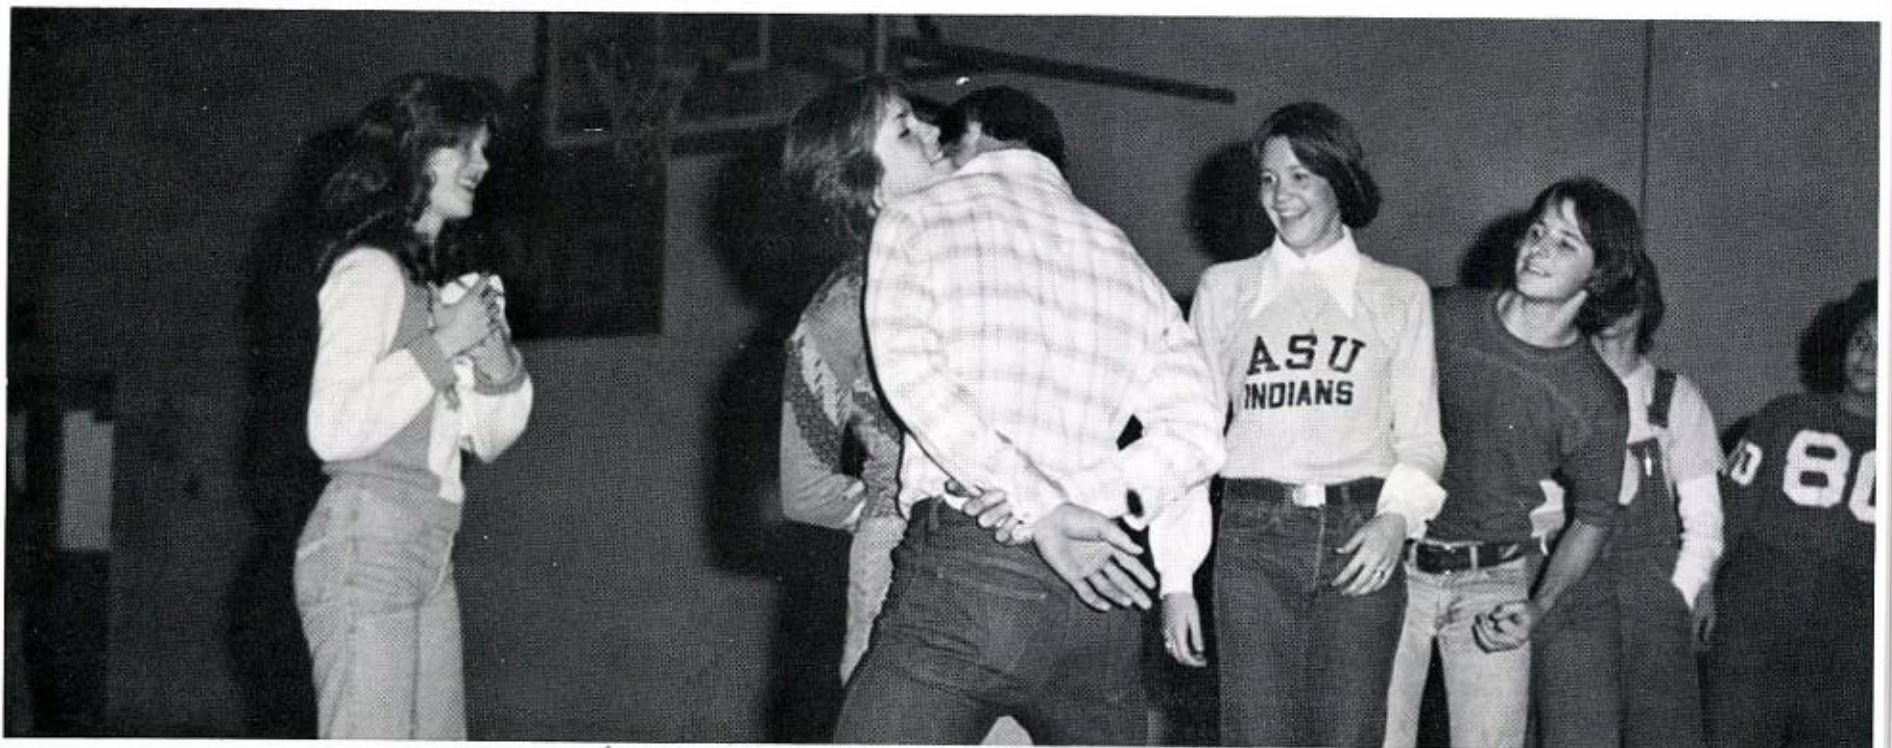

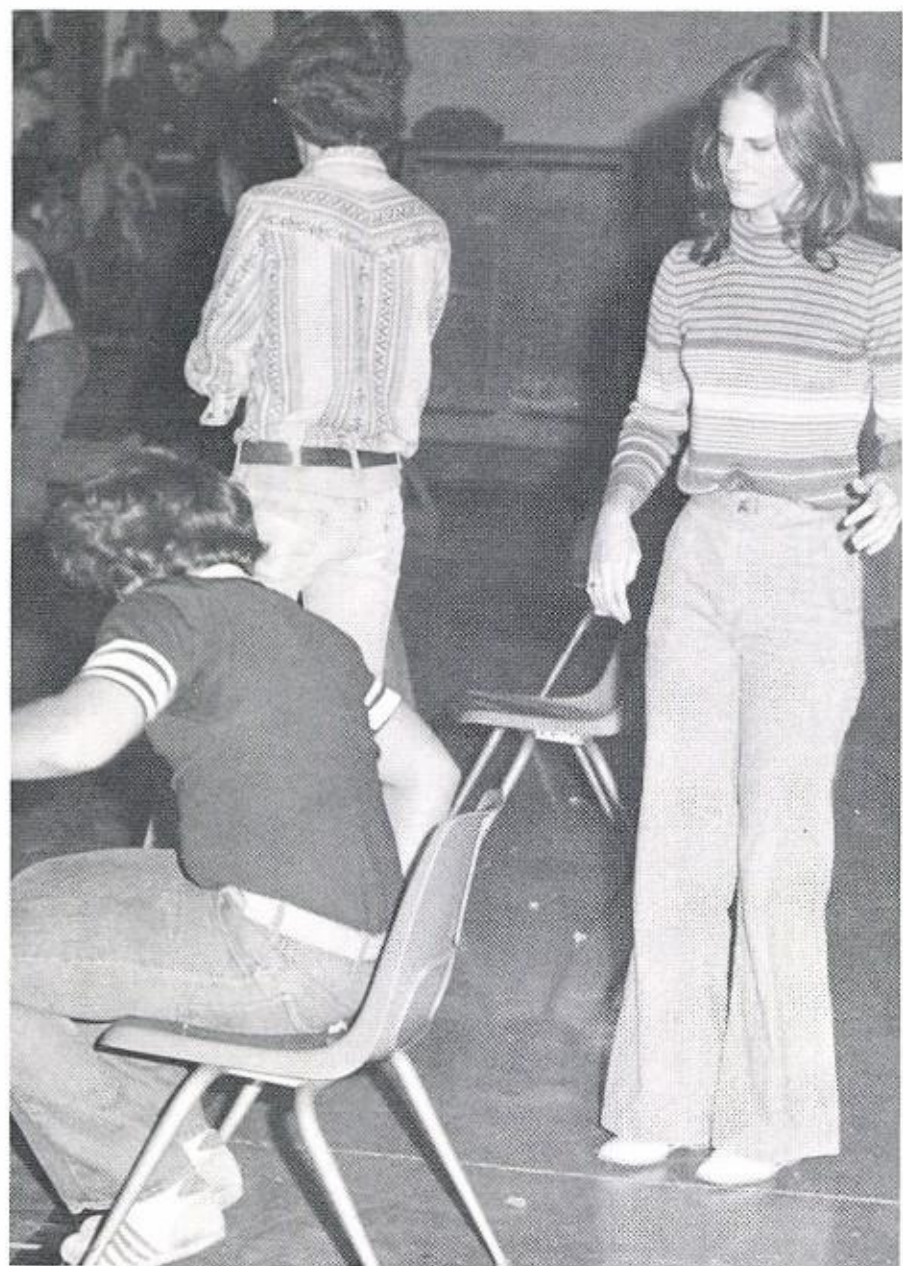

# Student Council

The Student Council has been active this year under the leadership of two new sponsors, Ms. Grant and Ms. Tweedle. The group attended a leadership conference during the summer to prepare to work for the student body during the school year. Projects for the year include: The sale of blue and gold school jackets to high school, middle school, and elementary; the showing of "Three Stooges," "Laurel and Hardy," and "Marx Brothers" films to both high school and middle school; a window wash at Grand and Central, football homecoming dance; Almost Anything Goes; and basketball homecoming dance. Ms. Tweedle, Jim Drake, and Lollie Elam attended the state student council meeting for three days.

Travel was the word in the band this year as their journeys covered over 5,000 miles throughout several states. Besides accompanying the team to all of the out-of-town football games, the band made several other stops throughout the state. Several ninth graders attended Region Jr. High Clinic tryouts in Ashdown. Those students selected for Jr. Clinic were M. Blair, G. Spakes, M. Steinbrenner and T. Theimann. Other band members attended Sr. Clinic and those making Sr. Band Clinic were: 2nd-D. Wenner, L. Hyndman, L. Burris, V. Maner, J. Faulkner, E. Grissom, D. Garner, 1st-D. Moen, J. Rubert, J. Hubert, E. # Music

# Activities

A new performing group has been organized this year at Lakeside, and it is called "Bel Canto." This group is composed entirely of girls in grades 9-12. Choreography has been a new addition to the performing requirements of the Madrigals. In the AFS Variety Show the Madrigals, Bel Canto, and the full mixed Chorus performed. Twenty chorus students auditioned for all-region choir in November. Sixteen of these students made All Region with 3 students making first chair. Those making all region were: Susan Hood, Cyndy Jordan (1st chair), Terri Walker, Evonne Greene, Gaye Garner (1st chair), Jim Johnson, Kathy Parker, Pam Rowe, Greg Smith, Joel Rubert, Jim Drake, Randy Ford, and Eric Bremer (1st chair). The Chorus, Madrigals, and Bel Canto participated in the Region Chorus Festival in March and the State Choir Festival in April.

F.H.A. stands for Future Homemakers of America. This organization has 90 members, ranging from grades 9-12. To become a member you must take home ec. for at least one year. At the beginning of the year we raised money through operation of a concession and by selling Stanley products. Our activities for the year included: A trip to Cajun's Wharf, luncheons in the home ec. room, Christmas Tea at H.S. Country Club, Mother-Daughter Banquet, and other school activities. FHA Officers are: Kathie Fisher, Pres., Leesa Milligan, 1st V. Pres., Ramona Marshall, 2nd V. Pres., Teague Martin, 3rd V. Pres., Donna Smith, Sec., Chris Butram, Treas., Lori Milligan, Rep., Kim Foster, Parlia., Beth Hill and Tracy Cash, Hist., Pam Brooks and Belinda Armstrong, Merit Ch., Allison Williams and Brenda Sims, Act. ## Home Ec. Assistants

Friday, May 13, the Future Homemakers of America Held their annual Mother-Daughter Banquet in the Home Economics Room. The theme for the banquet was "The Old Dutch Mill," with plants, windmills, and dutch shoes for decoration.

There was a wide variety of entertainment: Susan Cunningham sang "Where is Love," Ramona Marshall, Tommie Koonce, Bunny Cherry, and Teague Martin did a skit called "Is it Time," the cheerleaders did a skit, and Rebecca Griffin sang "Smile." A new award was presented--the Marcelyn Cagle Tate Award--for a former FHA president and Federation president. Mrs. Tate's parents were present. Kathie Fisher was the recipient.

The FHA presented Mr. Shuffield with a plaque for the help given by the administration. Several girls received awards for outstanding merits: K. Fisher, L. Milligan, S. McJunkins, D. Jones, L. Bates, T. Martin, D. Robinson, R. Taylor, E. Terry, J. Smith, C. Butram, R. Marshall, T. Bowlin, B. Hill, S. Sears, C. Plummer, T. Cash, S. Cunningham, S. Howell, K. Foster, B. O'Bryant, T. Bowling, L. Miller, and D. Shelby. The FHA presented to Mrs. Thompson a piece of crystal to show their appreciation. Kathie Fisher was given a gold bracelet by the group.

Beta Club promotes the following characteristics: Charity, justice, honesty, service, humility, and cooperation. The qualifications for membership on the part of the student shall be worthy character, good mentality, creditable achievement, and commendable attitude. Projects of the Beta Club under the sponsorship of Mrs. Goodwin included. Road block for arthritis, booth at the Harvest Carnival, and carrying trays for arthritis.

# National Honor Society

To become a member of National Honor Society is one of the highest academic honors a high school student may attain. The aims of this club are to stimulate scholarship, leadership, and character among high school students. Some projects of the club included: Selling programs at football and basketball games, Harvest Carnival booth, and various charitable fund-raising events.

# Ram Staff

The annual staff didn't have many meetings this year, but many people worked behind the scenes every day. Our highlight was the selection of a new publishing company--American Yearbook--with a new representative, Lonnie Stewart. We sold ads in September with the winning group (Kauffman, Peters, Frost, Williams and Smith). We sponsored a photo contest with Marsha Grissom the winner. We participated in the AFS Carnival with the "jailhouse." Our subscription 50's film was a big success, and we ended the year with our yearly annual staff assembly. Being on a yearbook staff requires hard work and enthusiasm. This year's staff has displayed both of these in trying to create a book that will make you proud! The cooperation among the staff members has been exceptional.

Quill And

# Panorama

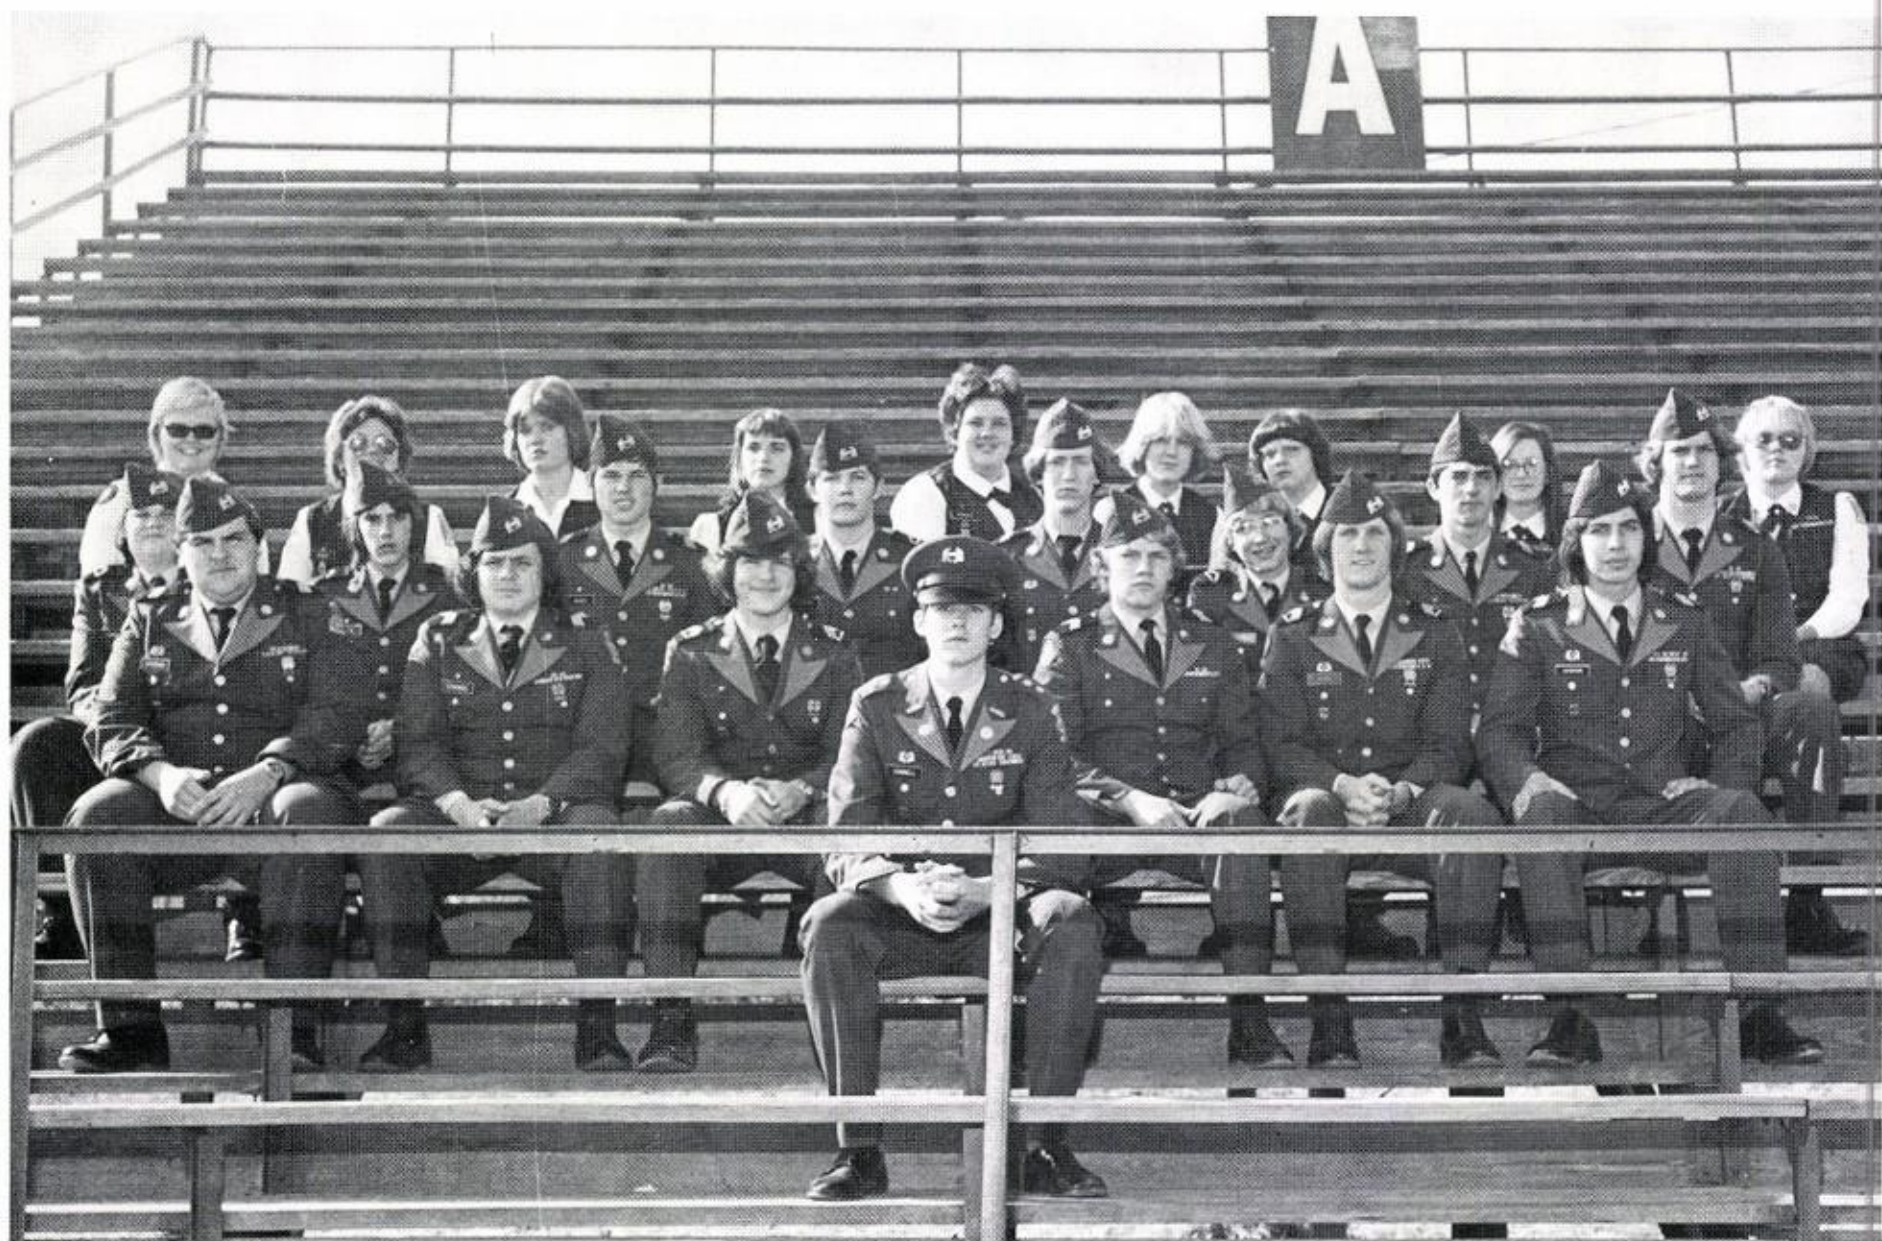

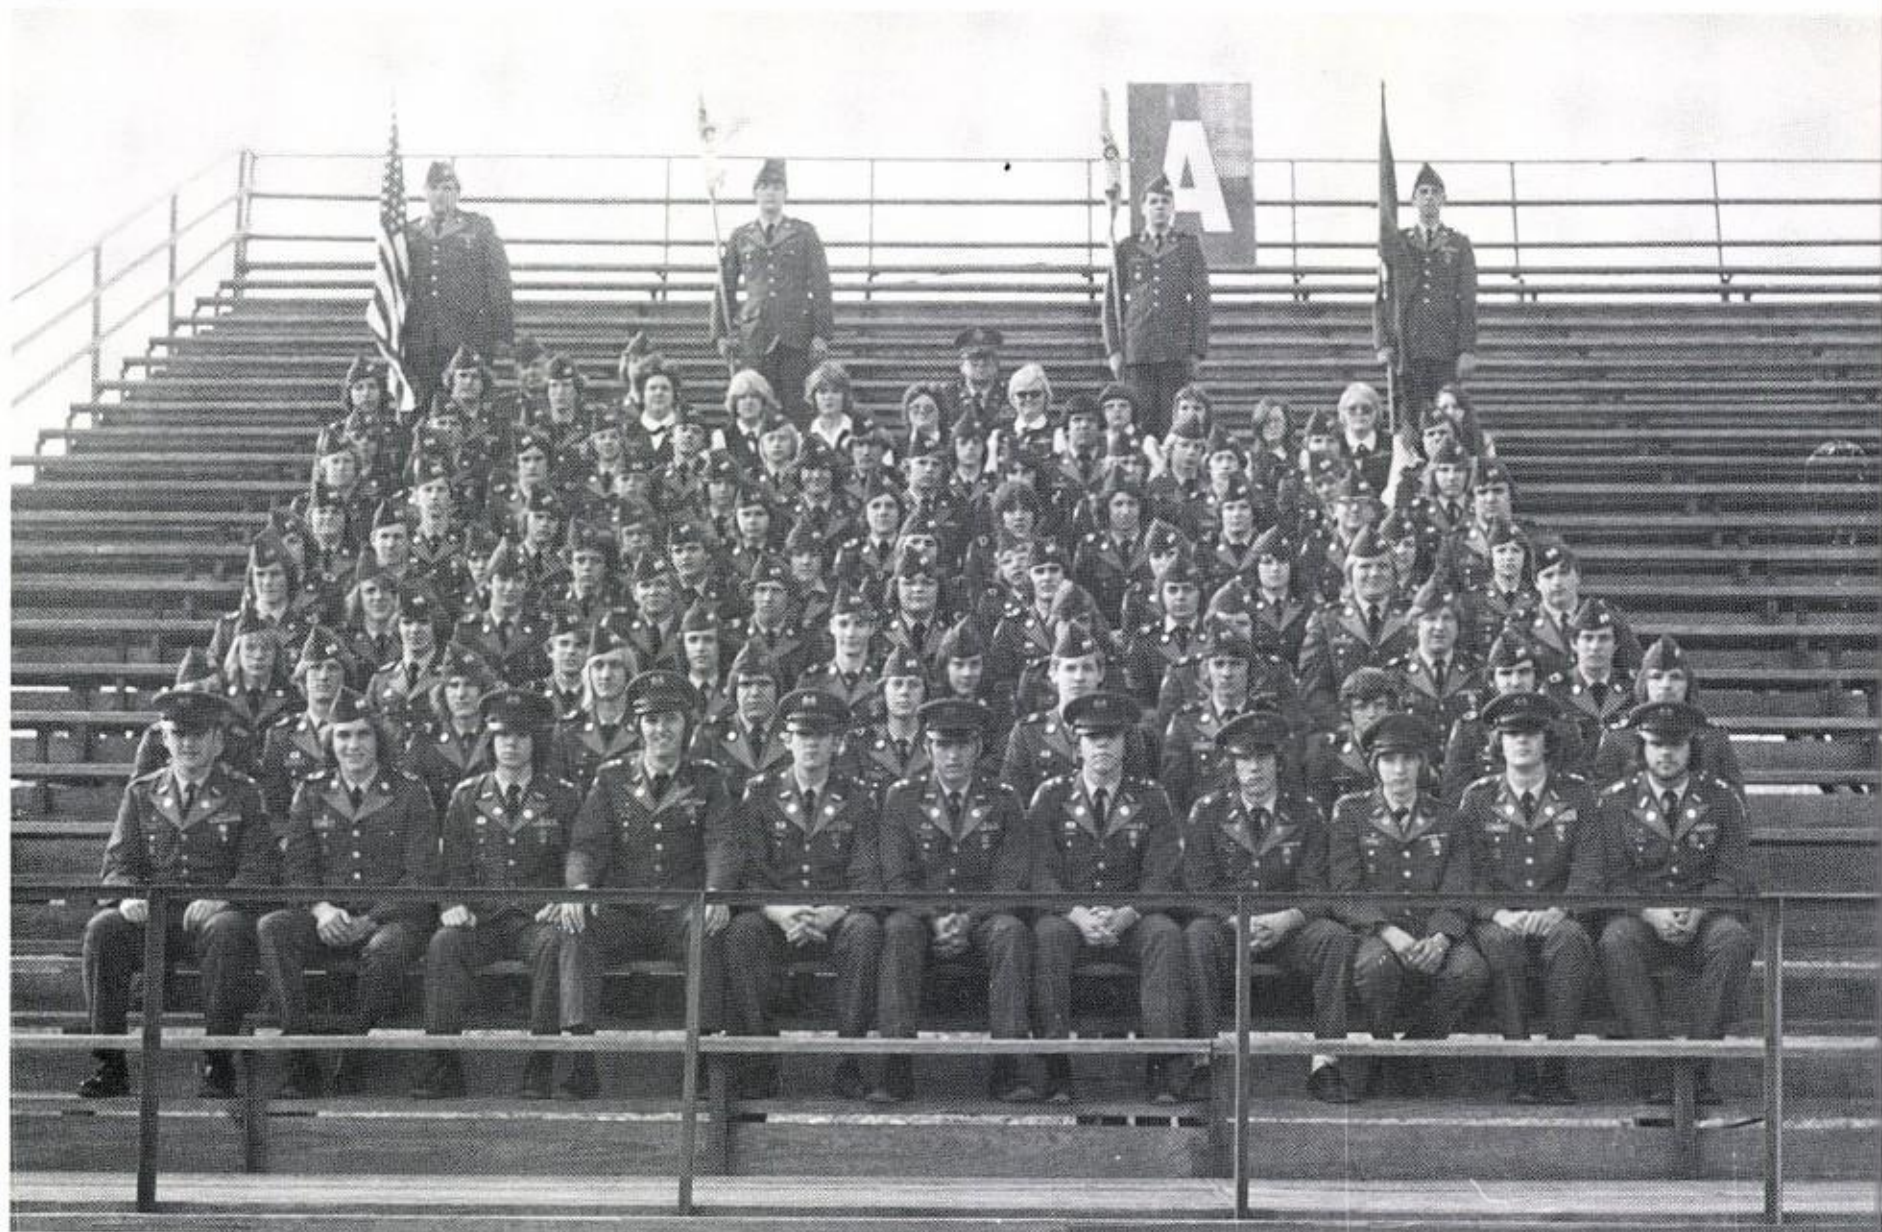

A new group to be formed is Quill and Scroll, an international honorary society for high school journalists. Lakeside has had a charter for this group since the '40's and the group is now being revived. Members must be juniors or seniors, must be in the upper third of their class scholastically, and must have done superior work in some phase of journalism or school publications. A point system is being worked out for both newspaper and annual staffs. Honorary members from the annual staff were: Tom Williams, Eric Bremer, Debbie Peters, Lori Frost, Keeley Ardman, Cathy Kauffman, and Lolly Elam. Honorary members from the paper staff were: Diane West, Janice Hinson, Tom Williams, Dale Greene, Lori Frost, and Doug Garner.

## *Color Guard*

The J.R.O.T.C. has 140 cadets this year, the largest group ever at Lakeside. Instructors Col. Williams and Sgt. Clark led the group to attain "Honor Unit with Distinction," putting them in the top five percent in the nation. They scored 97.72 out of 100 in their annual inspection by the army.

Their honors and achievements are too numerous to name, but they competed in such events as: Orienteering Workshop, OBU competition, drill and rifle team meet at Arkansas Tech, UCA Rifle Match, Irving, Texas, meet, Baton Rouge, Louisiana meet, Pentathlon at OBU, Ft. Chaffee meet at Fort Smith, Shreveport, Louisiana, meet, and two meets at Lakeside. The ROTC had winners in all areas of competition.

In individual firing Donny Moore, Randy Wages, and Tommy Cooper competed in a target match with 60,000 nationwide competitors. These cadets won the right to compete in an all-expense paid trip to a National Pellet Rifle Match in Rogers, Arkansas.

This year makes the fourth year in which the Lakeside Rifle Team has taken first place team and high shooter in EVERY ONE of their meets.

Col. Williams and Sgt. Clark are quick to give credit to the students. Sgt. Clark said, "This has been a very good year for the ROTC Department, and it was all made possible by the students--their willingness to sacrifice their time and to put forth that extra effort to accomplish the goals for which we set out to accomplish." However, two dignitaries from the army were sent to Lakeside to give special recognition to Col. Williams and Sgt. Clark!

# Administrators

Lakeside can boast several improvements this school year: A program was initiated for gifted students in grades 1-12. Lakeside began a kindergarten program for 5-year olds. This program was made possible by state legislation which pays teachers but doesn't provide for transportation. There were 100 students enrolled with 4 certified teachers and classes ran from 8:30 to 2:30. Kindergarten was held in the old middle school which was the first building ever built at Lakeside. A girls' gymnastics program was initiated in both middle and high school. Two tennis courts were built for physical education classes and as a community facility. Streets around the school were improved by hard surfacing.

Mr. E. T. Shuffield, Supt.

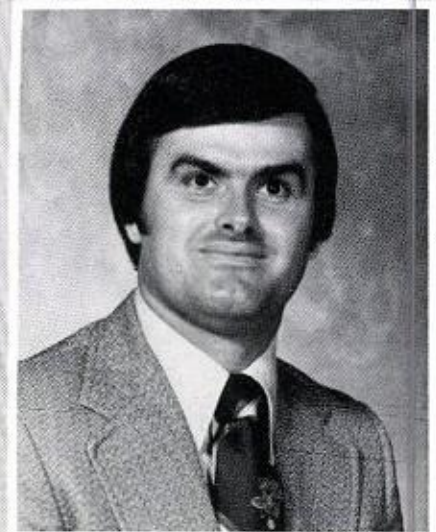

SCHOOL BOARD: Jim Geurin, Raymond Lawson, Vice President, Gene Parker, E. T. Shuffield, Superintendent, Don Burrough, President, Bob Messersmith, Secretary.

Ray Lumpkin, Principal

This year Lakeside students received a handbook containing information about the rules and regulations, conveniences and services, academic regulations, student activities, clubs and the courses offered. Each student received a copy of the handbook this year, but only new students and freshmen will receive a copy next year. A new attendance policy allowed only 13 absences in each class per semester before students were dropped from the class unless there were "extenuating circumstances." Teachers were kept busy reporting 5, 10, and 13 absences.

Donnie Watts  
Assistant Principal

# Manipulators

The "manipulators" were able to work behind the scenes and keep things going on the home front, too. The front office was run efficiently by Jane Butler, attendance officer, and Betty Hyde, secretary. They were helped by student assistants each period who picked up absentee slips, recorded absences, answered phones, delivered messages and ran errands.

Mrs. Scott and Mrs. Davis ran the back office and helped keep the financial records straight "which is a big job."

Mrs. Shuffield worked as a teacher aide and was shared with middle school.

Mrs. Arman knows "every face that comes through the lunchroom lines." She is cashier for both high school and middle school cafeterias.

Mrs. Brooks, the school nurse, divides her time among the three schools and is "always ready with a joke," her own style of therapy.

Mrs. Parker is supervisor of the lunchroom personnel, plans menus, buys foods and supplies, and "keeps the lunchroom going."

Mrs. McGill acted as library assistant and secretary.

# Educators

LANGUAGE ARTS-Courses in Language Arts include English I, II, III, and IV, Speech I and II, and Drama. Mrs. Treadway believes in reading as a regular pleasurable hobby. Her students subscribe to three separate book clubs each month and discuss current paperback titles. She believes "Romeo and Juliet" will be one thing her students will remember about Room 106. Her students realize that this famous couple was their age and faced the same problems they do with parents and life in general. Her sophomores enjoyed a field trip to KBHS and received free records and bumper stickers. They planned a visit to the county jail "before they all ended up there."

Debate was added as a course in the Speech Department this year with five teams preparing cases on the National high school topic for 76-77: Resolved: That a comprehensive program of penal reform be adopted throughout the United States.

Traditional debate format and cross examination debate were employed. In addition to library research and a field trip to Tucker Prison, several resource people were invited to speak to the class. These included: Clay White, FBI Agent; Tim Baltz, Public Relations Director for the Arkansas Correctional Institutions; Louis Longinotti, local attorney; Gene Matthews, local attorney; Bob Hargraves, Juvenile Judge for Garland County.

English teachers are: Charlene Shehane, CP English, Marilyn Markell, CP English; Sue Goodwin, English 12; Sue Grant, and Deloris Muammar, English 11, Vallee Heck and Rachel Treadway, English 10; Sondra Wasson and Mrs. Treadway, English 9. Mrs. Shehane teaches Speech I and II, Drama and Debate.

and II, Algebra I and II, Geometry, and Advanced Math. Representatives from schools of engineering and technical institutes talked to advanced math students about careers. Mrs. McDaniel's general math classes worked on income tax preparation for both the long and short forms. In the spring all the math teachers attended a metric workshop along with middle school and elementary teachers. Objectives of the math department are: To help each student comprehend the structure of math, its laws and principles; to provide an opportunity for developing computational skills and an understanding of math concepts; to create a desire for further study in the field of math. Willie Hooks teaches Algebra II, Plane Geometry, and Advanced Math; Rebecca McDaniel teaches General Math II and Plane Geometry; Lou Skrodenis teaches Algebra I; Mark Smith teaches General Math I.

SCIENCES-Offered in this section are General Science, Biology, Chemistry, and Physics. The science department is still slowly working on the Environmental Classroom and hope by late spring to have the first section completed with two bridges constructed by the industrial arts department and two classrooms. They hope to continue the project with completion of the dam to create a water study area and the continuation of trails to incorporate a larger forested area. The Science Club is being formed to facilitate the completion of the environmental classroom and create interest anew in the science fair. Mrs. Grissom and Kathy Roberts teach general science, Mrs. Wilson and Mrs. Roberts teach Biology and Mrs. Hunt teaches Physics and Chemistry.

**SOCIAL SCIENCES**-Courses in the social sciences include Civics, World History, American History, Consumer Economics, American Government, and Economics. The Civics classes took field trips to City Hall and Garland County Court. American History classes saw films pertaining to history, and Mr. Wenner came and showed a film on Mt. View, Arkansas. Also, Mrs. Inez Cline, Garland County Historian, was a guest speaker. Jim Bledsoe teaches world history and consumer economics, Richard Payton teaches American History and American Government, Phil Arman teaches American Government, Jim Wasson and Lee Alexander teach Civics.

**FOREIGN LANGUAGE**-The Foreign Language Department offers French I and II, and Spanish I and II. French classes participated in the state contest and festival this year. Thirteen students entered the declamation and/or skit competition on levels I and II. Mrs. Alexander teaches French I and II; Mrs. Markell teaches Spanish I and II.

**BUSINESS EDUCATION**-The Business Department is grow-

ing with three bookkeeping classes and four typing classes. The general business class has seen lots of films, both on business and on careers. The first semester they started a career unit which is finished the second semester. This enables students to study about a career in which they are interested utilizing the career files in the counseling center and in the library. First thing in January general business and bookkeeping students spend about two weeks on income tax learning about tax laws and how to fill out the short and long forms. Shorthand students are lucky to have the use of the language lab second semester to practice dictation at various rates enabling them to work at their own individual speeds. The personal typing class allows students to learn to type for their own use and many students from all typing classes typed their Junior and Senior themes and other reports in the typing room and on their own typewriters. Sue Grant teaches personal typing and Typing I and Sara Irwin teaches general business, bookkeeping and shorthand.

**HOME ECONOMICS**-Home Ec is offered to grades 9-12. A student may take Home Ec I, II, and III. Mrs. Bobbie Thompson teaches all of the classes. Home Ec units include: Clothing construction, basic foods, meal planning, table service, child development, home management, how to be a wise consumer, marriage and family, relationships, personal and family living, food preservation, interior decorating, and careers in home economics. Labs are conducted in food and clothing, films are shown throughout the year, a two-week kindergarten is held for ages 2 through 5 in conjunction with the study of child development, field trips to observe the actual construction of housing projects from the beginning to the finished project, demonstrations by outsiders on various topics, and speakers.

**VOCATIONAL**-The vocational program at Lakeside includes: Shop I and II, Mechanical Drawing, Vo-Tech, and C. C. E. Students who attend Quapaw Vo-Tech take three courses here at school and then are transported to town to take courses at Vo-Tech. Through the Coordinated Careers

Education classes, we hope that each student will be more informed and better prepared for the world of work. Goals of the technical drawing program are: To develop the ability to communicate the language of industry, science and technology, to provide for creative thinking in problem solving, to learn and practice good drawing techniques and good design. Goals of the wood shop are: To develop proficiency in the use of wood tools, to develop safe working habits, to provide for both vocational and avocational interests. Mr. Helms teaches Shop I and II and Mechanical Drawing and Ms. Parnell teaches Career Education.

**ART**-Art I is offered to grades 8-12. Lakeside had Art II for the first time this year. This year students have exhibited their work at the Arkansas Arts Center in Little Rock, Southern Artist Association, Central Regional Art Show and the ASU Art Exhibit. The Art Department brought the Arkansas Art Mobile to our campus in April. Kathy Tweedle teaches both Art I and II.

**COUNSELING**-The counseling service is primarily concerned with educational and vocational planning. Personal problem-solving dealing with educational, social, and family problems is an important function. Ms. Dilliard would like more students to come in early in their high school years to discuss their interests and to plan a program of courses which

will lead them into a variety of opportunities after graduation. The highlight of her years has been getting to know the Lakeside students and teachers and laying the foundation for the exciting and challenging work of the future.

Mrs. Frances Arnold is Librarian and Federal Coordinator. Through the Library Club several service projects were conducted this year: Teacher appreciation day, donation to the Arkansas float in the Presidential Inauguration Parade, variety

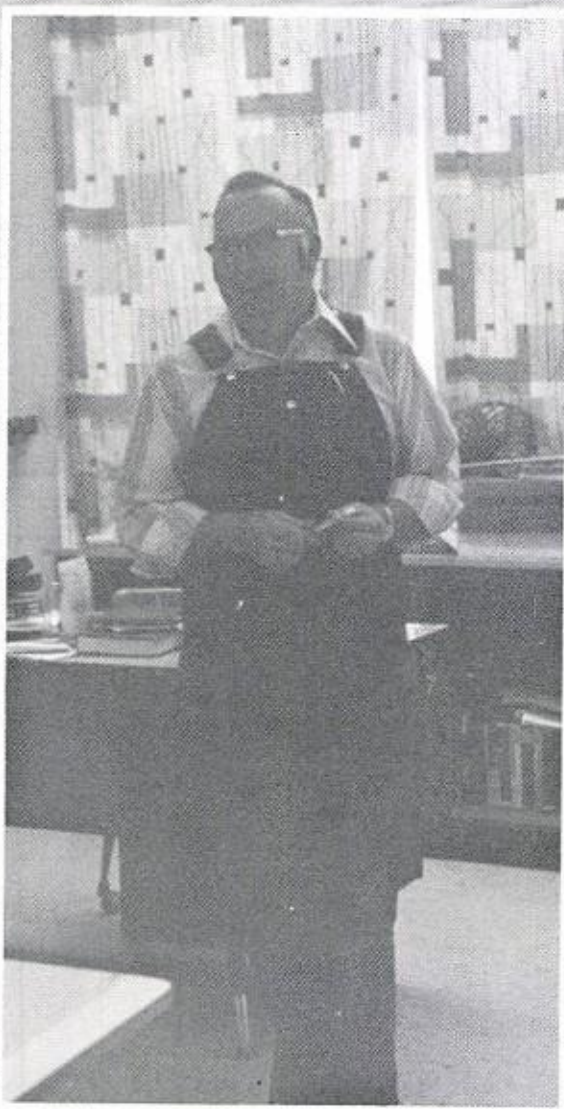

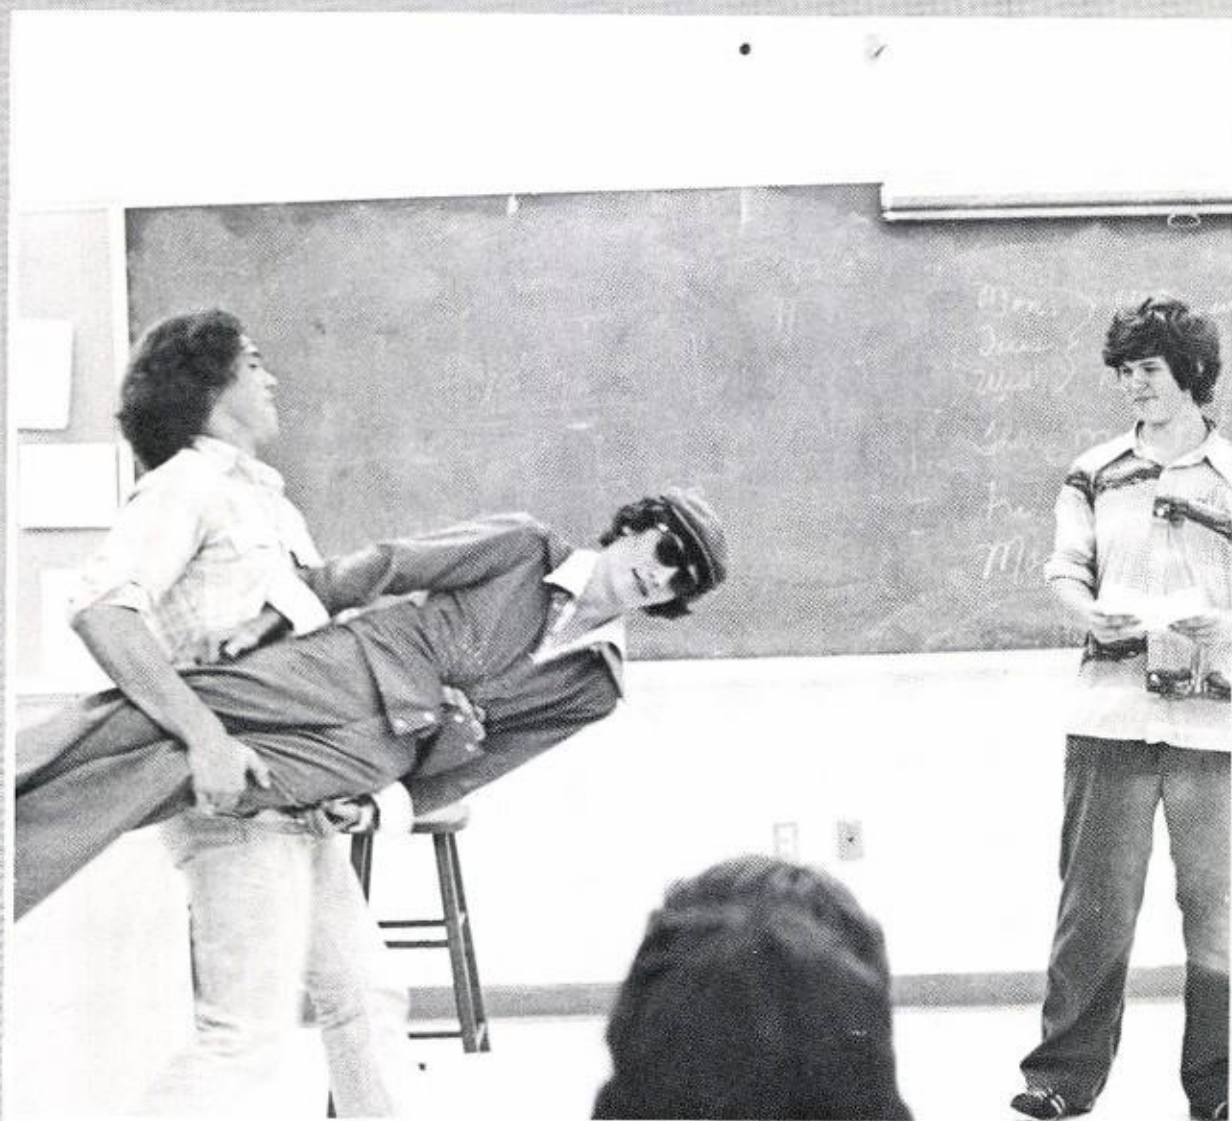

show A. V. setup, and social activities including a Christmas Party and end-of-school party.

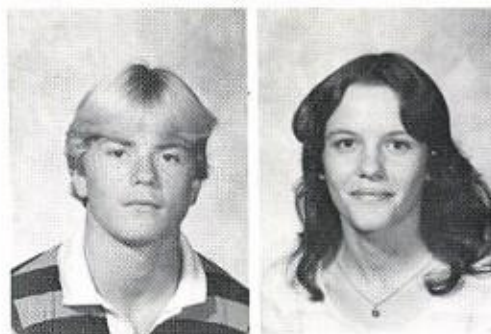

**ACTIVITIES**-This category includes Band, Chorus, Physical Education and Athletics. The Band program is under the direction of Jerry Davis. The Band is very active playing at football games, basketball games, parade, winter and spring concerts, harvest carnival, region and state competitions, and upon request at certain ceremonies. The choral groups are

directed by Kathy White. They perform at homecomings, winter and spring concerts, various civic functions, harvest carnival, region and state festivals and upon request. Physical education classes are taught by Phil Arman and Terry Quast. Coach Austin is head football coach and Coach Arman has basketball. Larry King and Bubba Payton also assist with coaching duties. Coach Austin teaches the Driver Education classes at Lakeside.

"Get it together!"

The Freshman year at Lakeside is a year full of excitement, chaos, and total confusion . . . Being pointed in the wrong direction by a "helpful" upperclassman when you enlist their aid to find a class . . . Attending pep assemblies on the "other side" of the gym and enduring all sorts of insults . . . Leaving assemblies last . . . Waiting for lunch longer than anyone else . . . Finally learning your way around only to lose your sense of direction again . . . Losing all the new-found freedom of your 8th grade year to be the "babies" again. Your freshman year is a learning experience, but next year you'll be doing the "teaching."

A student usually finds his or her sophomore year is the hardest in high school. The courses are tougher; the challenges, bigger; the responsibilities, greater. It is a big turning point. Sophomores at Lakeside hardly ever get lost anymore. Also, most teachers have just about quit calling us by our older brother's and sister's name. We sold frisbees, took the usual courses, and tried to pretend we "knew it all."

# Juniors — Just One More Year To Go — Then I'm A Senior

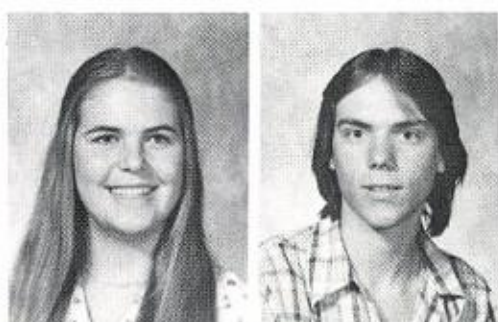

James Adcox  
Calvin Alewine, Jr.

Juniors are faced with the awesome task of "putting on a prom." From the beginning it's money, money, money and committee, committees, committees. We sold popcorn, spirit links, candy, spirit links, and more candy. We wrote themes, got our senior rings, and worried a lot. But in the back of our minds . . . "Just one more year, and I'm a Senior!"

# A Last Reflection On L.H.S. For The Year '76 — '77

Lisa,

I swear you are one of the most  
funniest person I know beside ~~my~~ <sup>ME</sup> -  
~~of~~ OF COURSE. We have a lot  
of great times together and  
I hope and know they will  
keep coming. You have got  
the sweetest family I know  
there is know the way I will  
love be able to give them all  
the happiness they gave me.  
You have always been  
there when I need to talk  
to someone. I loved all  
your calls at 6:00 AM.  
I bet you loved them to.  
I will NEVER Forget  
all your parties. And  
I will really never forget  
the water balloon throw  
at the cop. Or when we  
got chased and you fell  
down. Those were really  
over great times. And I sure  
we will have more. You  
are good. Stay happy.  
Your girl  
Delicia

from,  
well, we're finally through being  
little freshmen! (Thank - goodness)  
But last year was a really good  
year. We have a lot of good times  
to look back on. I'm so glad  
we are good friends. You are  
much fun to be around. I  
wish we had more classes to-  
gether this year. All always re-  
member the crazy times we  
had in P.E. + Home Ec.  
I'm so glad you made  
chicken!! you'll be so  
good! I hope you'll get to  
cheer a lot.  
I wish you happiness  
throughout your life + maybe  
well be going to Colorado  
in the spring!  
Thank you always  
from,

Lisa,

We've had a lot of great times together this year. I loved it after the football and basketball games going somewhere to eat and acting real crazy. I never will forget those times. We only had two classes together this year but they were a lot of fun. We always seemed to get in trouble in Algebra thanks to Bryan. Remember when I went to the board and started dying laughing and had to sit down. I'm going to miss you in my class this year but I'm glad we have 4 other ones together. I'm sure we will stay close friends always and continue to have crazy things to do. You have always been a great friend and I know you will always be there to help me out. Gosh! How can I ever repay you for all the rides you have given me. Your mother has taken me everywhere and I love her for it and hope someday I will be able to help her in some way. You and your family have a very special part ~~in~~<sup>in</sup> my life and y'all are just so great to me. I always feel right at home at your house. We haven't been together as much as I wish we could have this summer with both of us going to camp and on vacation, but the times we did spend together were a lot of fun. I haven't forgotten about the time we were at your Aunt's and it started to storm and we got soaked, that scared me to death. And that time we took out that little boat and it died on us and we got so mad but ~~we~~ laugh about it now. Those special times I will never forget. You have had the greatest

was so scary but very exciting. we made some pretty funny phone calls at your parties.  
Well, I'm not ready for school to start or for this great summer to be over. I'm planning on our great times together to continue and I'm sure they will. Thanks for being such a great friend.

Your friend always,  
Jan

I ask but one thing of you, only one,  
That always you will be my dream of you;  
That never shall I wake to find untrue } Lisa, I really mean this and I know you will always stay on life's right track. I love you a lot.

Lisa,

You Goff-off! Some of the times we have shared will remain in my memories forever. You are going to have to straighten up, because now you are a LHS CHEERLEADER! We'll have all shared some funny times together... And if I know us well enough those funny times will NEVER END. Listen you take care of yourself because everyone is waiting for you to make your presence know in this world.

Love forever,

Lisa we have Joy  
shared some  
wonderful moments  
together at Brookhill  
it's a shame we didn't  
make them last.

Lisa,
